

Free Eye Care for Hazelwood Students

Eye Thrive's Mobile Vision Clinic is coming to Christ the King United Church of Christ in Florissant January 19-21 and 26-28!

Call now to schedule free eye exam appointments for your registered Pre-K through 12th grade students.

Appointments are required and will be scheduled on a first called, first received basis for students with a completed, validated consent form on file.

Appointment Phone Line: 314-736-1404

You may refer to eyethrive.org/mvc for additional visit information.

- **A completed, valid parental consent form is required to receive an appointment time.**
- **Appointments are reserved for registered Hazelwood Pre-K through 12th grade students.**
- **All students must arrive at least five minutes prior to their scheduled appointment time.**
- All students and accompanying parties must wear masks and practice social distancing at all times.
- All students and accompanying parties must pass an outdoor COVID-19 screening prior to entry.
- Socially distanced waiting areas will be set up indoors.
- Accompanying adults must stay in waiting area with students at all times.
- Mobile Vision Clinic is limited to patients only; no family is allowed on-board.
- If your child currently wears glasses, please bring them.
- Most glasses will be made and dispensed on-site after each child's eye exam!
- **Christ the King UCC is located at: 11370 Old Halls Ferry Road, Florissant, MO 63033.**

EYE THRIVE

Improving futures through sight

Eye Thrive follows strict health and safety protocols according to CDC recommendations and the guidelines of local health officials to ensure the safety of our staff and our families. This includes social distancing, requiring masks, limiting the capacity of the Mobile Vision Clinic, utilizing personal protective equipment, and sanitizing equipment between use.
