

Welcome to Hazelwood Central High School!

The HCHS PTSA Executive Board extends a warm welcome to all of our new and returning Hazelwood Central families. We have an exciting year planned and hope you will consider playing an active role in it.

Like you, the parents of PTSA are strong advocates, actively involved and concerned about the success of all students. We host several events throughout the school year and our goal is to honor that same commitment amidst our “new normal” school environment. The look and format of those services will change to a virtual environment, as student safety is our top priority.

Our most notable programs include:

- Resume/Portfolio Session - provides students with tools to create a successful academic resume and portfolio for college recruiting fairs (Target: Sophomores & Juniors)
- Senior Slam – Provides seniors with support for editing college admission’s essays (with support from the English department)
- Freshmen Frenzy –provides guidance to freshmen students on preparing for final exams (support from all core departments)
- Teacher Appreciation Dinner – provides dinner for teachers and staff in appreciation of their hard work
- Project Graduation – provides activities, food, and gifts for the senior lock-in

We want to encourage you to become a part of the Hazelwood Central PTSA. Membership is only \$7.00 and covers your local, state and National PTA membership fees. Business memberships are available for \$10.00 for the year. PTSA serves as a voice and advocate for all Central students. We’d love for you to get involved. A membership form is included for your convenience and can be returned/mailed directly to the school. Likewise, for your convenience, we also accept cash, check, money order, credit card or CashApp. Checks or money orders should be made payable to: HCHS PTSA. Please feel free to contact our membership chairperson for assistance.

To all of our Senior parents- we will be accepting registration for Project Graduation. Project Graduation is the senior lock-in which takes place the evening of graduation. Although it’s not until Spring, planning and preparation begins early. Students have an opportunity to participate in planned activities the entire night such as mechanical bull riding, obstacle course, basketball, video games and movies. Additionally, we have food and give-away prizes all evening long. Take advantage of the pre-registration cost of \$30.00 per student. Registration increases to \$35.00 after October 31, 2020. The registration form is attached.

We are excited about what lies ahead for this 2020-21 school year and ready to take the journey in stride. Join us, by partnering and becoming a PTSA member today.

Warmest Regards,
