What is Project Graduation?

Project Graduation is Hazelwood’s participation in a nationwide effort to provide our graduating Seniors with a fun, safe environment (lock-in) to celebrate their last night together as high school students.

COVID Back-up – In the event, schools are closed and inaccessible, we will host an alternate event off school campus. Please note, all local, state and federal guidelines for maintaining social distancing will be followed to ensure the safety of our students and parent volunteers.
