Updates:

HSD is kicking off the *Help Hazelwood Get Healthy* campaign with a resource event on Saturday, Nov. 14. HSD families are invited to attend this drive-thru style event and receive a free resource kit. Each kit includes a thermometer, disposable masks, information about COVID-19 symptoms/testing, and a community resource guide. One resource kit will be provided per family until supplies are gone. A total of 10,000 kits will be available.

Help Hazelwood Get Healthy Resource Event

When: Saturday, Nov. 14
10:00 a.m. - 2:00 p.m.

Where: Hazelwood Central
High School
15875 New Halls Ferry Road
Florissant, MO 63031

Medical research shows there is a connection between the COVID-19 infection rates seen in school buildings and the rates in the surrounding community. Since the start of the pandemic, the zip codes HSD serves have experienced some of the highest infection rates in the state. As a result, school buildings were forced to close. The key to returning to face-to-face learning for all students without interruption is improving the health of the entire community. With that in mind, HSD is encouraging the community to *Help Hazelwood Get Healthy* by wearing masks, practicing social distancing, and washing their hands. The health of a community greatly impacts the level of health in school settings.
