ACCESSING CANVAS (through the CANVAS APP) TO CHECK GRADES:

*If the grade percentage is not showing
then follow the following steps.*

***From the home screen click the settings tool
in the top right hand corner.** → → → → → →

← Select to "Show Grades".

← It should appear like this once selected.

← The percentages should now show when you return to the home screen.

← If you select a specific class this menu appears. You can click on the specific selection you want to view.
