

# HELP HAZELWOOD GET HEALTHY!

The *Help Hazelwood Get Healthy* public health campaign is aimed at slowing the spread of COVID-19. The foundation of the campaign is to encourage people to wear masks, wash their hands, and practice social distancing. COVID-19 testing and vaccination information and resources are also provided through the campaign.

Investing in the health of our learning community will greatly assist our efforts to have a successful school year. To *Help Hazelwood Get Healthy*, the district is asking each stakeholder to do the following:

## **Students**

- Do not enter an HSD school bus or building if sick or displaying COVID-19 symptoms
- Embrace HSD COVID-19 mitigation strategies
- If eligible, get the COVID-19 vaccine
- Get tested if exposed to the virus or displaying COVID-19 symptoms
- If a student tests positive for COVID-19, contact the school immediately
- Recognize that COVID-19 is the enemy. Not district employees, medical professionals, students, parents, or neighbors

## **Parents**

- If eligible, get the COVID-19 vaccine
- Embrace HSD COVID-19 mitigation strategies
- Contact the school immediately if your student tests positive for COVID-19
- Recognize that COVID-19 is the enemy. Not district employees, medical professionals, students, parents, or neighbors

## **District Employees**

- Do not enter an HSD school bus or building if sick or displaying COVID-19 symptoms
- Embrace HSD COVID-19 mitigation strategies
- Get tested if exposed to the virus or displaying COVID-19 symptoms
- Contact school/supervisor immediately if they test positive for COVID-19

## **Community**

- If eligible, get the COVID-19 vaccine
- Embrace COVID-19 mitigation strategies
- Recognize that COVID-19 is the enemy. Not district employees, medical professionals, students, parents, or neighbors
