

Spring 2022-2023

Hazelwood West High Girls' Swim Team Repeats as Green Pool Conference Champions

The Hazelwood School District wants to congratulate the West High girls' swim team for winning the Green Pool Conference championship. Their hard-fought swim meet resulted in a six-point victory by the Wildcats.

Five Hazelwood Central High Student-Athletes Sign National Letters of Intent with College Programs

Five Central High student-athletes will carry on the Hazelwood School District legacy at the next level, as four football players and one volleyball player signed their National Letter of Intent with college programs.

Congratulations to football players Tobias Williams and Jesse Johnson, as both committed to Missouri Valley College; teammates Jayden Trotter and Rahman Jeremiah Watson committed to Lincoln University. Congratulations to Braelynn Reese, who was the lone volleyball player to sign a Letter of Intent, as she will be attending Central State University.

Hazelwood East High Robotics Program Ends the Season on a High Note

Hazelwood East High's robotics team, also known as the Tech Titans, has ended their semi-finals tournament at the St. Louis North League in first and second place.

The Tech Titans placed first in the Control Award and second place in both the Design and Think Awards. The robotics season has ended with remarkable accomplishments garnering a top-tier league ranking, a 29 - 9 - 0 league match record, and a total of 2,992 points scored in winning matches.

Greetings HSD Community,

As we prepare to return from a well-deserved spring break, let me begin by encouraging our students and staff to continue our strong efforts in the classroom. It has been very encouraging to see all the excitement that each of our schools has generated with student and staff success stories.

The 2022-2023 school year has been filled with many thrills as we continue to show that we're back and we're better here in HSD. From the in-person events, to the many student accomplishments, to the all-out dedication of our schools and staff, there have so many things that make us HSD Proud!

Let's keep that same spirit and determination as we make our final push toward spring break, state testing, and graduation.

In April, students will take the state-required Missouri Assessment Program (MAP) and End-of-Course (EOC) tests. In line with our culture of high expectations, our goal is to increase these state test scores and Be the Best on the Test.

From the Desk of the Superintendent

The Be the Best on the Test campaign highlights the importance of excellent test scores on the annually-required Missouri state tests. It also reminds students and their families to start preparing for the tests by practicing math, reading, and writing skills.

As a result, by performing well on state tests, HSD students and the community reap the benefits which additional scholarship opportunities, creating a culture of high achievement and attracting college recruiters, new residents, and businesses to the area. This will also help entice more students and employees to our district while remaining fully accredited.

Finally, I want to thank all of you for your commitment to supporting our students, staff members, and school. There is a saying, "it takes a village to raise a child," and fortunately, in the Hazelwood School District, we have the incredible support of our school community to help us develop our students into successful men and women.

Sincerely,

Dr. Nettie Collins-Hart

Superintendent of Hazelwood School District

HSD News is a news magazine created by the district's Communications and Public Relations Department.

Our team is comprised of:

Jordyn Elston - Director of Communications & Public Relations - jelston@hazelwoodschools.org

Travis Green - Communications Specialist - tgreen1@hazelwoodschools.org

Aaron Hoffmann - Webmaster & Graphic Design - ahoffman@hazelwoodschools.org

Alex Peterson - Video Specialist - apeterson@hazelwoodschools.org

Britt Williams - Secretary to the Director of Communications & Public Relations - bwiliams5@hazelwoodschools.org

You can contact the Communications and Public Relations Department at (314) 953-5045 or info@hazelwoodschools.org

Alumni Spotlight: East High Alumnus Named VP of Business and Event Operations for St. Louis Battlehawks

It has been over 20 years since East High alumnus, Brandon Williams, last put on the pads for the Spartans football team. Still, the former NFL wide receiver loves nothing more than to get back on campus and did so recently, providing St. Louis Battlehawks swag for football coaches and staff at his former high school.

The Battlehawks are a home-grown football team in the rebooted XFL, and recently Williams was named the team's Vice President of Business and Event Operations. In this position, he will oversee the team's business performance, drive fan and community engagement, and execute game day experiences at the Dome at America's Center.

Williams, a two-time Second Team All-State selection in football, as well as a state champion and Spartan award winner in track and field, encourages students to get involved in sports because the benefits go beyond the athletic venues.

"Sports help young men and women build that character, ethics, and camaraderie," Williams explained. "Sports can be a platform to do whatever you want to do in life. Whether you want to go into business, coaching, the medical field, or the law profession, I would say leverage the resources and talents you have individually to make yourself better and to put yourself into a position to live the life that you want to live."

Three Hazelwood School District Students Advance to FBLA State Competition

Three Hazelwood School District students have earned the right to compete at the Future Business Leaders of America (FBLA) State Leadership Conference after earning top awards at the recent district competition.

Those advancing to the state competition include Central High's Connor Johnson, first place in Word Processing; West High's Laura Westberg, fourth place in Networking Infrastructures; and West High's Josef Westberg, fifth place in Political Science.

Meet the Incoming Board Members

Three, three-year Hazelwood School District Board of Education seats will open in April. Three candidates applied for the seats. The new board members will be sworn in at the April 18 Board Meeting. The three candidates are listed in the order of when they filed. Unedited biographies, written by the candidates, have been provided.

Sparkl A. West-Pruitt
(Incumbent)

Sparkl West-Pruitt has lived in the Hazelwood School District since 2012. She was nominated to the Hazelwood School Board of Education in November 2020. She has always been an active leader in the HSD PTA, serving as Hazelwood PTA Council President, Missouri PTA Executive Board, Local Unit President at various schools,

Membership Chair, Teacher Appreciation Chair, and more. In addition, she serves on several committees within the district: Budget Committee (Curriculum), HSD Ambassador, Key Communicator, Diversity, Equity and Inclusion Solutions Group.

Mrs. West-Pruitt has used her passion and history for advocating for public education, students, and teachers long before moving to St. Louis. She volunteers at several schools on a daily basis, assisting teachers, encouraging students, building relationships, and helping out wherever needed. She has been a volunteer of the year in 2018 and 2019. In addition to volunteering with PTA, she continues to volunteer with other organizations like the Women's Empowerment Network, Sickle Cell Association, NAACP, National Coalition of 100 Black Women, and American Business Women's Association (ABWA)

Sparkl was born in Japan and attended public school when her family moved to the United States. She has a Bachelor's degree in Communications from Georgia Institute of Technology and an Associates degree in Artist Management from the Music Business Institute. She is currently enrolled in Purdue University for Diversity and Inclusion. She has several years of experience in management, leadership, customer service, and negotiations from owning her own company; Infinity West, Inc. to the worldwide travels managing musical tours.

Mrs. West-Pruitt is married with two children, one attends high school in HSD. She has previous BOE experience and has attended the state board training session. She is seeking a position on the HSD BOE to promote transparency, diversity & Inclusion, and a global enriched education while she continues to advocate for students, teachers, parents, & community.

Sylvester Taylor II
(Incumbent)

My name is Sylvester Taylor II. My wife and I have lived in Hazelwood School District for more than a quarter-century. We have raised three daughters who attended school in the district.

I have been a member of The International Brotherhood of Electrical Workers for more than three decades. Prior to joining the Hazelwood School District Board of Education, I served as a member of the BlackJack Fire District Board of Directors and state legislator for Missouri's 80th District. As a member of the Missouri House of Representatives, I served on the Local Government, Agriculture Business, Workforce Development & Financial Institutions committees.

Currently, I am Chairman of The Electrical Workers Minority Caucus. In that role, I participate in a mentoring program with the Missouri Division of Youth Services. The program helps young people find jobs in organized labor when they enter the workforce.

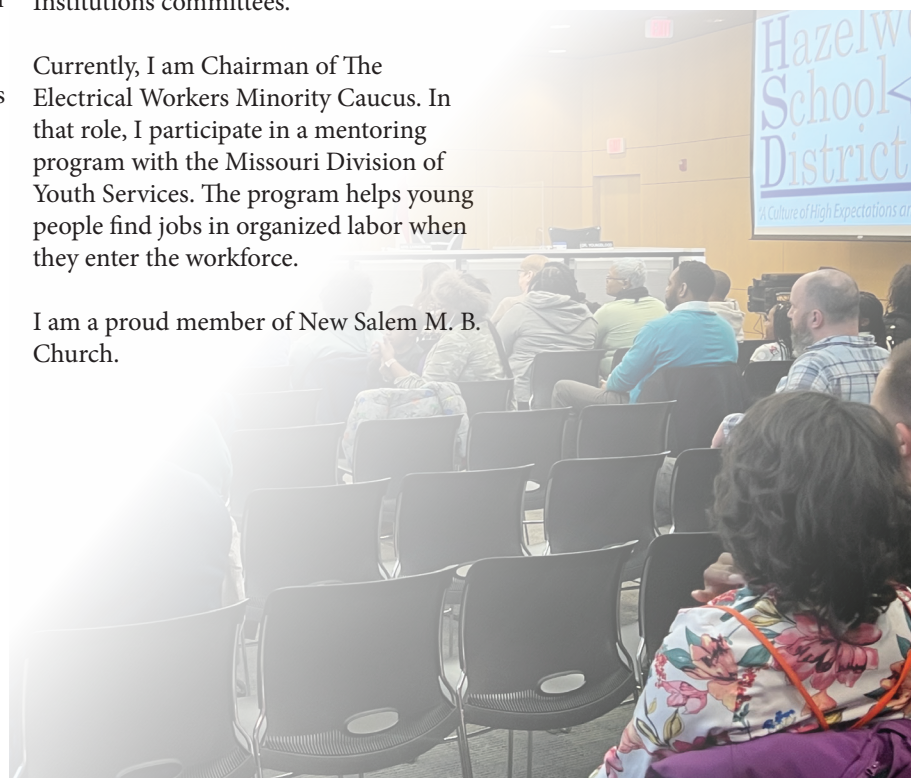

I am a proud member of New Salem M. B. Church.

Robert Birdsong

Robert Birdsong, a retired federal employee, has previously worked in the education sector. He has experience

in managerial roles, oversight of programs, fund development responsibilities, and customer service. Robert is a proud member of Omega Psi Phi Fraternity Incorporated, possesses a Bachelor's Degree, and has completed coursework towards a Master's degree. He believes in community service and advocates for children and families through the many boards he has served on in his lifetime. Robert and his wife live in Hazelwood and have adult children.

A Message from the Board

We, the Board, are grateful to our students, staff, and community for their unwavering support of the Hazelwood School District. We want to express again our gratitude for the community's support in the passing of Prop H, a \$130 million zero-tax-rate change bond issue that will benefit this community for years to come. We also want to thank all district employees for your tireless work in promoting a safe and secure learning environment for our students. Your hard work does not go unnoticed.

The Hazelwood School District will continue to be defined by our student-scholars who are excelling academically, athletically, in extracurricular activities, and in the community. We also continue to take pride in our gifted education programs, early childhood education offerings, our alternative education options and services, and all other accomplishments happening each day in our classrooms as reflected throughout this newsletter.

We have worked hard to build a culture of high expectations and excellence in our schools. However, we need the help of the entire community as we work to keep our schools safe, support academic achievement, grow our sense of community spirit, and share in the pride of our students and the district's successes.

As we embrace the arrival of spring, let's also embrace the energy and spirit we see in our district every single day. Our students and staff are achieving great things, and we hope our community is eager to see this continue. We hope all of you can find time to enjoy the new season and share what makes our community great.

It is an honor working on behalf of our nearly 17,000 students and serving our community in this capacity. We will continue to set high expectations and strive for excellence in our schools!

From Central Middle to Central High, HSD student Moyosoreoluwa Adeyeri Excels and Accelerates

Hazelwood School District student Moyosoreoluwa Adeyeri, known as Moyo, is excited to start her new challenge as a 9th-grader at Central High School after excelling at Central Middle School.

Accelerating an HSD student from their current grade level to the next is a rigorous process. However, with Adeyeri's support system, both at home and in school, it is a challenge she looks forward to meeting head-on.

"I am very excited and enthusiastic about my new challenge of high school as I start the second semester," Adeyeri exclaimed. "I hope with this new challenge, I will learn more things, meet new people, gain new hobbies, and more!"

Two HSD Students Honored as Drum Major Scholarship Recipients at MLK Day Celebration

HSD pride filled the atrium of Christian Hospital's Paul F. Detrick Building during their 6th annual Dr. Martin Luther King Jr. Celebration luncheon, "Embracing the Dream."

Unique Lane, a senior at Central High, and Rochelle Hunt, a senior at West High, were honored at the event as recipients of Drum Major Scholarships.

During the celebration, these HSD students were recognized alongside other local students and unsung heroes in our communities, who have given their time, talents, and service in the name of justice, equity, and equality.

The Hazelwood School District wants to congratulate both Unique and Rochelle for this recognition and for being awarded this scholarship. Keep up the great work, and best of luck with all your future endeavors!

Collaboration between St. Louis County PAL and HSD Provides Athletic Opportunities for Elementary Students

With a noticeable absence of elementary school athletic activities across the county, the St. Louis County Police Athletic League (PAL), led by Officer Sean Brew and Officer Darrin Young, worked with HSD elementary school principals to make a change.

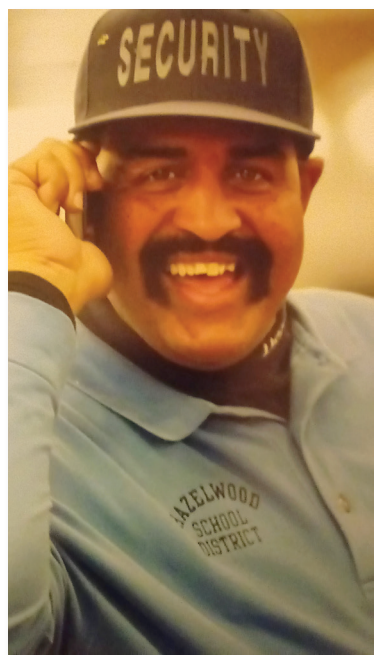

The first season took place in the 2021-2022 school year and had three schools participate: Jamestown, Keeven, and Walker Elementary. Keeven won the boys' division, while Jamestown won the girls' division. The league has doubled in the 2022-2023 school year with Barrington, Brown, and McNair joining the league.

"The partnership between HSD and PAL has benefited students, parents, PTA members from the schools, and stakeholders in the community," Michael Thomas, assistant principal at Keeven exclaimed. "HSD and PAL have worked together with parents, staff, and the community to build coalitions and capacity. This partnership has allowed HSD to address Goal #5 in HSD's strategic plan (Increase Parent and Community Involvement), while also addressing Goal #1 of the plan (Improve Student Achievement)."

"We are excited to have our younger students participating in athletics," said Dr. Nettie Collins-Hart, Hazelwood School District Superintendent. "This partnership allows our students the opportunity to be competitive and sets them up to be successful student-athletes in middle and high school."

The basketball program is a six-week program followed by a week of playoffs. All equipment, uniforms, league registration, and insurance fees are paid for by PAL. The league has also reached out to HSD high schools to present volunteer opportunities for high school students who are in need of community service hours.

The Hazelwood School District is very proud of the students, staff, and schools involved in the basketball league, and we thank the St. Louis County Police Athletic League for their continued support of HSD and our schools.

George "Rocky" Mason III Scholarship Program Gives Back to HSD

The George "Rocky" Mason III (GRM3) Scholarship Program is open and will be in its fourth year of preparation to give back to selected HSD students. Four deserving seniors who apply and meet the eligibility criteria will receive scholarships for higher education. In partnership with the PTA Council, the GRM3 committee will select and announce the winners in May.

Mason, the man behind the scholarship honor, was a former HSD security lead until his passing. The Mason family decided to honor Rocky by assisting students going to college.

The GRM3 scholarship program offers two scholarships: the George "Rocky" Mason III Hazelwood PTA Council Scholarship Award and the Overcoming Hardship Scholarship Award. The GRM3 scholarship program has previously awarded 11 scholarships through a successful collaborative partnership with the HSD PTA.

HSD teachers and staff make the difference!

The Hazelwood PTA Council hosted its 2022-2023 Founders' Day dinner on February 2nd at Hazelwood Central High School. During the event, the district recognized the District-Level Teacher of the Year, Building-Level Teachers of the Year, and Support Staff of the Year.

Kathleen Naudi, SAIL facilitator and gifted specialist at Hazelwood Central Middle School, was recognized as the 2022-2023 District Teacher of the Year. She has worked in the Hazelwood School District for 13 years. During this time, she has taught 7th and 8th-grade science, 8th-grade social studies, and the Students' Activities in Investigative Learning program (SAIL) at Central Middle and Northwest Middle.

Kathleen Naudi
District-Level Teacher of the Year

The Teacher of the Year honorees at each school are:

Armstrong - Kevin Keppel
Arrowpoint - Patricia Smith
Barrington - Sarah Williams
Brown - Kendra Vaughn
Cold Water - Rebecca Davis
Early Childhood - West - Danielle Vaughn
Garrett - Emily Rudolph
Grannemann - Emilie True
Jamestown - Dytania Harris
Jury - Melody Jefferson
Keeven - Trina Mitchell-Collins
Larimore - Jarrold Brown
Lawson - Yvette Wren
Lusher - Erin Desriviere
McCurdy - Carly O'Neal
McNair - Claire North

Russell - Jamie Lipe
Townsend - Sharon Bruns
Twillman - Christine Williams
Walker - Heather Stuteville
Central Middle - Kathleen Naudi
East Middle - Lisa Cummins
North Middle - Dakota Shaw
North Middle - Samantha Noel
Northwest Middle - Elise Brown
Southeast Middle - Kimberly Fifer
West Middle - Christine Rau
Opportunity Center - Bonny Martin
Central High - Katie Allen
East High - Terry Farrar
West High - Jessica Vishy

The Support Staff of the Year recipients are:

Clerical:

Diane Greer - Jury
Lakisha Martin - Jury
Micah McGhee - Jamestown

Custodial:

Evelyn "Lucy" Yeargain - Northwest Middle
Gwendolyn Carter - Central Middle

Health Services:

Hannah Schaljo

Maintenance:

Wally Westcott

Professional/Technical/Technology:

Kathy Jackson - Human Resources

Security:

DuJuan Owens - East High

Teacher Assistant / Building Aide:

Amy Miller - McCurdy Elementary
Bria Harris - Southeast Middle

Transportation:

Ronnie Logan Jr.

HSD Launches Campaigns to Engage Stakeholders and Support Schools

**BE THE
BEST
ON THE
TEST**

Hazelwood
School
District

In April of 2023, HSD students will take state tests. In line with our culture of high expectations, our goal is to increase state test scores and **Be the Best on the Test.**

Benefits of performing well on state tests include:

For Students

- Increasing student confidence
- Additional scholarship opportunities
- Dispelling myths about the likelihood of first-generation college students succeeding
- Creating a culture of high achievement
- Attracting college recruiters

For the District

- Remaining fully accredited
- Dispelling false narratives about predominantly Black school districts
- Remaining financially stable
- Additional community partnership opportunities
- Attracting more students and employees

For the Community

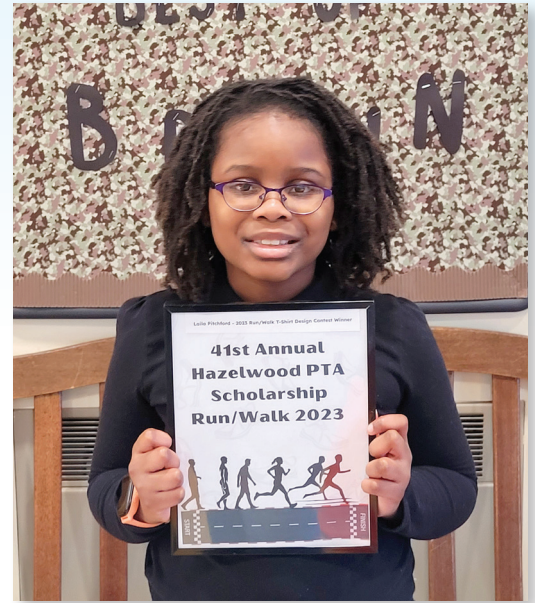

- Attracting new residents and businesses to the area
- Higher property values
- Additional tax revenue
- Reducing the number of vacant homes
- Increasing community pride

Brown Second-Grader, Laila Pitchford, Wins PTA's 2023 Run/Walk T-Shirt Design Contest

Laila Pitchford, a 2nd-grader at Brown, is the winner of the 41st annual HSD PTA Scholarship Run/Walk 2023 t-shirt design contest. The contest was open to all HSD students, grades k-12, who submitted original artwork. The words "41st Annual Hazelwood PTA Scholarship Run/Walk 2023" were a requirement in the design. Brown's principal, Melanie Davison, is excited about her student's win. "Laila Pitchford is an incredible young lady who is as intelligent as she is creative," said Davison. "Laila always does her best and makes a positive difference in the world."

Pitchford's win comes with a level of relief and enthusiasm. "I feel excited and happy because I worked hard on my design," said Pitchford. "I can't wait to see my design on the Run/Walk t-shirts!"

The 41st Annual HSD PTA Scholarship Run/Walk event will be at Central High on Saturday, May 13. The HSD PTA Run/Walk will feature a 5K, 1 Mile, 1/2 Mile, 1/4 Mile, and a Color Blast Run, and all proceeds will benefit the HSD PTA Scholarship Fund.

St. Louis County Prosecuting Attorney, Wesley Bell, Presents a Lesson in Black History to East Social Studies Department

St. Louis County Prosecutor and East High alumnus, Wesley Bell, led a symposium discussing the American social contract, criminal justice, policing, mental health, and social injustices in the black community to East High government and social studies students. Captain Clay Farmer, St. Louis County Prosecuting Attorney's Office Head of Security, was a part of the panel.

"It is truly an honor to return to the same place where I grew up. It is not about giving back. To me, it's about giving what I owe because many people poured into me," said Bell. "I am hoping I can inspire students the way others inspired me. Education is the greatest equalizer and truest path when discussing careers and generational wealth." East High sophomore, Jayden Glasby, was very impressed with the presentation. "He said a lot of critical things for the youth of this school today to consider," said Glasby. "He was so open about what he does in his office. That filtration with students and people younger than him is very meaningful. It helps a lot."

Campaigns Continued

The *No Guns in School* campaign specifically targets guns and mobilizes students, parents, and the community to partner with the district to achieve one goal—*No Guns in School*. ***Did you know that a student who brings a gun to school will be suspended for up to 180 days? Additionally, barring extenuating circumstances, the student will be expelled, which means they will not be able to attend any public school in the state of Missouri.***

The key to achieving the campaign goal is participation from all stakeholders. The information below explains specific ways each stakeholder group can support the campaign.

Students

- Do not bring guns to school.
- If you become aware of anything that threatens the safety of our learning community, immediately alert an administrator or file a report through the anonymous HSD Safety Tip Line (314-281-4584, tipline@hazelwoodschoools.org).
- Hold your peers accountable by reminding them about the consequences of bringing a gun to school.
- Promote the campaign amongst your peers.

Parents

- Talk with your student about the importance of staying away from guns.
- Know what your student brings to school each day.
- If you become aware of anything that threatens the safety of our learning community, immediately alert an administrator or file a report through the anonymous HSD Safety Tip Line.
- Talk with other parents about the campaign.

District

- Conduct relationship-building activities involving students, Safety Officers, Safety Monitors, Administrators, Faculty, and Staff.
- Implement incentive programs for schools that do not have incidents related to guns.

Community

- Report school-aged children in our community who you suspect have a gun to the police or to the HSD Safety Tip Line.
- Gun owners should store guns in a locked case, safe, or cabinet away from children.

Larimore's School Nurse, Kathy Gutmann, Implements Asthma Challenge

Larimore's school nurse, Kathy Gutmann, has successfully implemented an asthma challenge at Larimore. This monthly challenge encourages students to pre-treat with an albuterol inhaler before PE or recess to decrease asthma symptoms associated with exercise.

The idea for the asthma challenge stemmed from the partnership with St. Louis Children's Hospital and the Healthy Kids Express Program. The two partnerships provided a guideline for more structured compliance with albuterol inhalers and asthma action plans.

When Gutmann noticed that she was not receiving consistent responses from students/teachers for the students to come into the office and pre-treat before PE and recess, she decided to try something new. Nurse Gutmann, an arts and crafts enthusiast, began a challenge to create a theme every month with a puzzle. Every time she pre-treats a student, they get a puzzle piece. If the students meet the requirement by the end of the month, there will be a celebration.

Each month the number of winners and students participating in the challenge has grown. Nurse Gutmann is excited about the impact of the asthma challenge at Larimore. "The students are learning about asthma. They are learning about their triggers and learning ways to prevent those symptoms," said Gutmann. "I am seeing reduced asthma attacks."

Parents, if your child attends Twillman, Central Middle, Jury, or Townsend and would benefit from no-cost asthma support, please get in touch with your school nurse to get started.

Parent University

Parent University offers HSD families key resources to help navigate educational challenges and opportunities. Through Parent U workshops, events, videos, resources, and programs, parents receive the tools they need to support their children. Additional information about Parent U can be found at www.hazelwoodschools.org.

Hazelwood School District's DECA Team Produces Twenty 2023 Winners

20 Hazelwood School District students: Ganijah Cannon, Ndeye Diagne, Brandi Clark, Ravyn Farrow, Jaylen Hopkins, Najiah Jones, Tyra Williams, Maliakah Fultz, Staphon Wright, Joseph Westberg, Zauria Smith, Nikiya Wesley, Bryana Vaughan, Kaylon Harris, Olamide Akinade, Azaria Rollins, Ethan Perry, Brendan Snyder, Keira McMahon, and Makiyra Smith were named winners in the 2023 DECA marketing competitions. Nine students represented East High, and the other 11 represented West High, out of more than 1,600 Missouri high school students. The contests are in preparation for the annual Missouri DECA State Career Development Conference in Kansas City, MO.

"We are proud of these students for representing themselves, their schools, and the district so well," said Dr. Nettie Collins-Hart, Hazelwood School District Superintendent. "We pride ourselves on being rooted in a culture of high expectations and excellence, and these students are a great example of what that means in our district."

East High senior and DECA Chapter President, Ganijah Cannon, was awarded 1st place in the written event for a start-up business plan. West High senior and District 7 Vice President, Joseph Westberg, was awarded 1st place in accounting, an automatic national qualifier.

DECA is an international association of high school students studying marketing, finance, hospitality, and management with over 200,000 high school members and close to 4,000 chapters.

NOW ACCEPTING APPLICATIONS

FOR

Hazelwood East Middle School 8th Grade Center

Located at Hazelwood East High School, the 8th Grade Center offers students innovative classes to prepare them for careers in growing professions.

Course offerings include Information Technology, Broadcasting, Theater, Spanish, French, Fashion, Construction, and more. Students also can earn health care or IT/coding certifications through their studies.

For more information, visit
www.hazelwoodschools.org/ems.
