

After School Activities Check-in Procedures:

All students **MUST** complete the Daily Health Screen form each day before arriving to participate in an after school activity.

The form is available on the student Chromebook under bookmarks. It can also be accessed here: <http://bit.ly/2021-2022CHSCOVID>

If a student answers yes to any of the questions, they **MUST STAY AT HOME**.

Students who fail to accurately complete the form each day, will not be allowed to participate in after school activities. Meeting the requirement is critical to our ability to continue to offer after school activities.

Thank you for your understanding and cooperation.
