

Hazelwood Central Student Council Application 2022-2023

Any student who is interested in being a member of student council, must read and complete this application. Students will be screened and selected based on teacher recommendations, behavior, attendance, and grades (2.5 GPA minimum). Student council members hold a leadership role within the school, and are held to high standards. You represent not only Hazelwood Central as a member of STUCO, but the district and community as a whole. We are seeking students who want to become involved in improving our school culture and spirit, increasing participation in supporting school sporting events, and are willing to take part in student council sponsored activities. Interested students should be willing to attend 2 hour meetings once a month, participate and assist with student council sponsored activities, and represent HCHS in a positive way. **Four teacher recommendations are also required** from teachers or coaches you've had **this school year. You must email any teachers whom you want to complete a recommendation for you using the google form link below.** Teacher recs are a fairly large part of the application process, so make sure you follow the directions to get this done.
