ABOUT US

Barrington Elementary School is an incredible place for students to learn and grow academically and socially. Academic achievement is emphasized along with building strong character. Each student is expected to understand their current level of performance and set goals throughout the year that reflect growth. Students are celebrated regularly for meeting their individual goals.

A multi-tiered system of support is in place to support academic and social emotional needs of our students. All students participate in RtI four days each week to provide enrichment or remediation in reading and math. The first day of each week is set aside to teach, promote and practice behaviors that will assist our students in being their best selves.

We recognize that the success of our students is due to our strong home-school partnership. While students are our VIPs, parents and staff are the coaches who bring out the best in each child. Barrington has strong parental involvement.

BECOME A VOLUNTEER

Volunteers are always needed to help with the book fair, class parties, field day, fall festival as well as, the fundraiser celebration and distribution, to attend field trips, tutor, and assist with the supervision of our students. If interested in volunteering, contact Tamara Walker at benefits@hazelwoodschoools.org or 314-953-5079.

PTA

Our PTA is one of the best and does a great job of supporting the needs of our school community. Make sure to become a member and mark your calendars to attend the meetings on the 2nd Thursday of each month at 6:00 PM in the cafeteria.
