### **GRADE LEVEL COURSES**

- Sunny Start- Will use Sunny Start Curriculum
- Kindergarten
  - ELA (90 Minutes)
    - Independent reading (15 Minutes)
    - Read Aloud with mini-lesson based on grade-level standards and the IXL diagnostic tool (30 Minutes)
    - IXL ELA and Small Groups - Which letter does the word start with, read sight words, sort objects into categories, and choose the short sounds that match the picture. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 minutes)
  - Math (90 Minutes)
    - Whole Group math instruction (Counting, Basic skills) (15 Minutes)
    - Math centers (Investigations) with teacher support (30 Minutes)
    - IXL Math and Small Groups - Skip-count by tens, squares, subtraction, making a number using addition, and counting on the hundreds chart. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)
- First Grade
  - ELA (90 Minutes)
    - Independent reading (20 Minutes)
    - Read Aloud with mini-lesson based on grade-level standards and using IXL diagnostic information (15 minutes)
    - Read with a partner (10 Minutes)
    - IXL ELA and Small Group - Complete the silent e words, how many syllables the word has, order related words based on meaning, fill in the missing consonant blend, and identify action words. During this time, using the real-time diagnostics information, the

teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)

- Math (90 Minutes)
  - Whole Group math instruction (Basic skills) (15 Minutes)
  - Math centers (Investigations) with teacher support (30 Minutes)
  - IXL Math and Small Group - Place value, subtraction, three-dimensional shapes, and equal parts. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)
- Second Grade
  - ELA (90 Minutes)
    - Independent reading (25 Minutes)
    - Read with a partner/Read A loud (20 minutes)
    - IXL ELA and Small Group - Complete two-syllable words, order events in a story, shades of meaning with pictures, and sort common and proper nouns. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)
  - Math (90 Minutes)
    - Whole Group math instruction (Basic skills) (15 Minutes)
    - Math centers (Investigations) with teacher support (30 Minutes)
    - IXL Math and Small Group - Add and subtract, measuring using an inch ruler, place value, line plots, and number lines. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)
- Third Grade
  - ELA (90 Minutes)
    - Independent reading (30 Minutes)
    - Novel Study (Book: TBD) (15 Minutes)
    - IXL ELA and Small Group - Inferences, text features, topic sentences for narrative paragraphs, homophones with pictures, and complete and run-on sentences. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)
  - Math (90 Minutes)
    - Whole Group math instruction (Basic skills) (15 Minutes)
    - Math centers with teacher support (30 Minutes)
    - IXL Math and Small Group - Multiplication tables, dividing, graphing fractions on a number line, show fractions: fraction bars, and create rectangles with a given area. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)
- Fourth Grade
  - ELA (90 Minutes)
    - Independent reading (30 Minutes)
    - Novel Study (Book: TBD) (15 Minutes)
    - IXL ELA and Small Group - Similes and metaphors with pictures, commas with dates, identify main verbs and helping verbs, and use actions and dialogue to understand

characters. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)

- Math (90 Minutes)
  - Whole Group math instruction (Basic skills) (15 Minutes)
  - Math centers with teacher support (30 Minutes)
  - IXL Math and Small Group - Decompose fractions into unit fractions, multiplication and division, model decimals and fractions, multi-step word problems, and classify triangles. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)
- Fifth Grade
  - ELA (90 Minutes)
    - Independent reading (30 Minutes)
    - Novel Study (Book: TBD) (15 Minutes)
    - IXL ELA - Determine the main idea, read historical fiction, choose the best transition, use dictionary entries, and identify prepositional phrases. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)
  - Math (90 Minutes)
    - Whole Group math instruction (Basic skills) (15 Minutes)
    - Math centers with teacher support (30 Minutes)
    - IXL Math and Small Group - Graph points on a coordinate plane, evaluate numerical expressions, add fractions with unlike denominators, and volume of rectangular prisms made of unit cubes. During this time, using the real-time diagnostics information, the teachers will pull small groups to provide additional support to meet the needs of each student performing at their level. (45 Minutes)

### **INSTRUCTIONAL SUPPORT**

- Below Grade Level - Extra remediation (double dipped)
- On Grade Level - Review of grade level content standards
- Above Grade Level - Exposure to next grade level for determined content areas.

### **EVIDENCE OF LEARNING**

- IXL pre and post assessments will be utilized in kindergarten through fifth grade.

### **REGISTRATION PROCESS**

- Begins March 21st and ends May 25th for transportation to/from school.
- Registration will be completed through SIS utilizing an **e-form**.

### **COMMUNICATION**

- Platforms utilized
  - Blackboard
  - Flyers
  - Marquee
  - Peachjar
  - Dojo
  - School Newsletter
  - Social Media (Facebook/website)
