Educational Records

No one other than a student’s parent or legal guardian may access educational records other than directory information. An eligible student (18 years of age) may also access their own educational records. Therefore, the Hazelwood School District cannot, by law, share how students are disciplined with people other than that student’s parent or legal guardian.

Dear Hazelwood School District Students and Parents/Guardians:

We would like to invite you to “Get on Board with HSD” to help us move the Hazelwood School District forward. The theme is designed to encourage our students, parents, faculty, staff and stakeholders to partner with us to build coalitions and capacity that helps us create and sustain widespread support for a safe and high achieving school system.

The Student Handbook and Behavior Guide was developed to assist students, parents, and staff with understanding academic and behavioral expectations, consequences, and available resources and supports. Our teachers and principals are committed to working with you to provide an environment that is conducive to learning and programs that challenge each student to do his/her best. Our goal is to provide the support needed so that all of our students achieve at high levels. That begins with having high expectations.

Please review the Student Handbook and Behavior Guide now and periodically throughout the school year so students will make positive choices and have opportunities to reach their full potential.

Our goal is to build and sustain a positive, safe, and caring climate and culture across the Hazelwood School District. We look forward to working together, and welcome your continued support to make this a productive academic year.

MISSION, VISION AND VALUE STATEMENTS

MISSION STATEMENT

We are a collaborative learning community guided by a relentless focus to ensure each student achieves maximum growth.

VISION STATEMENT

HSD will foster lifelong learners, productive citizens, and responsible leaders for an ever-evolving society.

VALUE STATEMENTS

We will place the education and well-being of each student above all other considerations.

We will form partnerships with parents and community members to ensure the success of each student.

We will commit to implementing innovative solutions while dismantling ideas that are no longer working for students.

We will create an inclusive learning climate that meets the needs of a diverse community.

We will monitor academic progress in a timely manner and provide differentiated support for each student to reach maximum growth.

We will collectively set high academic expectations using student data, as well as each student’s social and emotional needs, to drive instruction.

We will collaboratively and independently use assessment data to reflect upon and revise our educational practices to ensure each student’s maximum growth.

We will maintain a district climate where staff, parents, and community members model positive qualities and characteristics expected of each student.

The Hazelwood School District desires to enhance student learning by providing an orderly, caring, and nurturing educational and social environment in which all students can feel safe and take pride in their school and their achievements and in which all staff can work in an atmosphere free from disruption that impedes learning.
HANDBOOK

ATTENDANCE

The Hazelwood School District Board of Education recognizes the importance of regular student attendance to a successful learning experience. Regular and punctual patterns of attendance will be expected of each student enrolled in the Hazelwood School District. When your student is absent, please make sure you communicate with your child’s school.

ABSENCES

Excused Absences

- Illness of the student
- Death in the student's immediate family or close friend
- Certain days for religious observance
- Doctor or dental appointments
  * If a student needs a prearranged absence, (i.e., going on a trip, doctor appointment, and so on), he/she must present written notice with his/her parent’s signature the day before the absence, or before school, if the student plans to leave school during the day. This note must state the time and date the student is to leave and must include a phone number where the parents can be reached for verification. It is suggested that parents make dental and doctor appointments after school hours.

- Court appearance
- Quarantine or hospital confinement
- Planned absence with prior approval, (i.e., participation in a valid educational opportunity, such as college visit)
- Field trips or other school-initiated absences
- Emergency or set of circumstances that, in the judgment of the principal, constitutes a reasonable cause of absence from school, i.e., oversleeping, car trouble, running parental errands, babysitting (are usually not considered an emergency).
- Administrative assignment to and attendance at a District-approved program (i.e., Alternative Support Center, In School Suspension, Positive Choice Program)

When possible, a student shall be permitted to make-up work missed as a result of excused absence, unless the work was a whole class activity (i.e., field trip, lab, or physical exercise). Under those circumstances, no penalty shall be imposed on the student’s grade; rather, an alternate assignment at the same difficulty level should be given by the teacher.

Unexcused Absences: An absence not area listed under Excused Absences is considered an unexcused absence.
Leaving school grounds: For the protection of the student, the student is not to leave the school grounds for any reason, or with anyone, without permission from the office. Before a student may leave school on a prearranged absence or illness, a student’s parent, guardian or designee must report to the office and sign out the student, or, for students permitted to drive to school, parents/guardians must provide verification that the student is allowed to sign himself/herself out and to leave school grounds unaccompanied. Students who leave campus at an unscheduled time without following these procedures will be subject to disciplinary action as described under “Truancy”.

Truancy: An absence from school or class without the knowledge and consent of the parents/guardians and the school administration. A student is considered truant if he/she arrives five (5) or more minutes past class starting time without an authorized hall pass. A parent, guardian or custodian of a child or children who do not regularly attend school may be reported to the Children’s Division and/or the Juvenile Court System. A violation of the compulsory attendance law is a Class C misdemeanor: Chronic Truancy (Referral to Family Court), and is defined as: a student who is absent from school without approval for a full day or more, part of a day, or all or part of a class on more than 10 occasions during a school year. Arriving five (5) or more minutes tardy to any class may result in a referral for excessive tardiness and additional disciplinary consequences may be assigned.

ATTENDANCE PROCEDURES

ABSENTEE CALL-IN
There is an absentee call-in line available in each school office 24 hours a day. Please call your school’s attendance number to report your child’s absence. Please give child’s name, teacher’s name or room number and the reason for the absence.

DISMISSAL
We discourage early dismissal and request that all medical appointments be scheduled outside of the school day whenever possible. Students are to be released only to parents, legal guardians or those specifically approved by them. Any other adult who requests a student to be released will be asked for identification and the parent will be called. Students will be dismissed from the school office; NOT the classroom. Parents must sign the student out in the office.

Elementary Parents: If your child is to go home from school in a manner that deviates from the normal routine, you must contact the school in writing that day. If a note is not received, your child will be sent home in the usual manner.

Middle and High School Parents: A student will not be released to a sibling, friend, etc., without a note from the parent for each occurrence. Each note will be verified so it is important that a telephone contact number be included. Any person picking up your child must produce proper identification and be listed on the emergency contact information before the child will be released.
HOURS
Grades K-5  School Begins 8:50 a.m.  Dismissal 3:50 p.m.
               Early Dismissal 2:50 p.m.
Grades 6-8  School Begins 8:10 a.m.  Dismissal 3:10 p.m.
               Early Dismissal 2:10 p.m.
Grades 9-12  School Begins 7:25 a.m.  Dismissal 2:25 p.m.
               Early Dismissal 1:25 p.m.

LATE ARRIVAL
Students arriving late to school should report to the attendance secretary in the main office for a late slip to be presented to the classroom teacher.

MAKE-UP WORK
It shall be the student and/or parent’s responsibility to initiate a request for make-up work and establish mutually agreeable times with the teacher for daily work and test make-up.

TARDINESS
Tardiness is defined as arriving late to school, class or the student’s assigned area. When students arrive at school after the tardy bell, they must stop in the office for a pass before going to class.

ATTENDANCE REQUIREMENTS AND REPORTING

LEGAL ASPECTS
Missouri School Law clearly places the burden of responsibility for school attendance on the parent or guardian.

The law requires all children between 7 and 16 years of age to regularly attend a public, private, parochial, parish, home school or a combination of such schools for the duration of the entire school term. Parents have the responsibility for requiring and promoting their child’s regular school attendance, which is the first step in achieving academic success.

COMMUNICATION
The District’s attendance procedures will be published annually and made available to each Hazelwood family. For the protection of the student, the following will be communicated:
SCHOOL RESPONSIBILITIES

A. Each school will keep accurate records of student daily attendance as required by Missouri State Law. District Student Attendance Procedures are available in each school building.

B. Each school will notify parents/guardians of student unexcused and/or excessive absences. Parent notification may include, but is not limited to, one of the following:

- Voice mail systems
- Teacher contact
- Attendance Office callers
- Computer-generated letters
- Progress reports
- Administrator, counselor or social worker contact

C. Each school will implement attendance procedures to address excessive and/or unexcused absences/tardies. These procedures may include the following:

- Teacher notification of parents (i.e., attendance failure notice, progress report, telephone contact)
- Student-teacher conference
- Parent conference
- Support personnel assistance (i.e., school nurse, counselor, social worker, administrator, care team)
- Juvenile Court referral (for those under age 16)

TEACHER RESPONSIBILITIES

A. Each teacher will be responsible for taking and recording accurate hourly student attendance.

B. Each teacher will be responsible for monitoring student attendance and notifying parents/guardians when a student's course grade is being adversely affected by excessive and/or unexcused absences/tardies.

C. Each teacher will implement the District attendance procedures and policies.

D. Each teacher will allow students with excused absences to remain current in their class to work and, whenever possible, allow students to make up work missed.

NOTE: A student serving suspension under a District program (i.e., Alternative Support Center, Positive Choice Program, In-School Suspension, Saturday Detention, and/or Principal’s Suspension) will be eligible to receive academic credit.

PARENT/GUARDIAN RESPONSIBILITIES

A. Missouri School Law under the Compulsory School Attendance subsection places the burden of responsibility for school attendance on the parent.

“Every parent, guardian, or other person in this state having charge, control or custody of a child between the ages of 7 and 16 years shall cause the child to
attend regularly some public, private, parochial parish, or home school not less than the entire school term of the school which the child attends.” (R.S.MO.167.031).

B. Parents will notify the school attendance office of each student absence. A call should be made to verify the absence on the day of the absence.
C. Parents/guardians will make the necessary arrangements if they plan in advance to take a student out of school.

NOTE: Parents should understand that it is not possible to make up many activities that occur during class time (i.e., discussions, films lab work, music rehearsals, physical exercise, and so on).

STUDENT RESPONSIBILITIES
A. Students will adhere to the attendance procedures as defined by each school.
B. Students will cooperate with school officials and support personnel to correct any attendance problems that may develop.

NOTE: Except in the case of administrative assignment to a District program (i.e., Alternative Support Center, Positive Choice Program, and In-School Suspension), the student or parent is responsible for initiating the request for make-up work according to school guidelines.

Students should understand that it is not possible to make up many activities that occur during class time (i.e., discussions, films, lab work, music rehearsals, physical exercise, and so on).

A+ SCHOOLS PROGRAM (HIGH SCHOOL)

All Hazelwood School District high schools are considered A+ schools, which can provide students with a financial incentive to attend public community colleges and technical schools. Students must meet A+ guidelines as set by the state of Missouri. All funding is dependent upon appropriation of funds by the state.

Current guidelines are:
- Be a U.S. citizen, permanent resident, or lawfully present in U.S.
- Enter into a written agreement with the high school prior to graduation
- Attend a designated school for three consecutive years immediately prior to graduation
- Graduate with an overall GPA of 2.5 points or higher on a 4-point scale
- Have an overall attendance rate of at least 95 percent for grades 9-12
- Perform 50 hours of district-supervised, unpaid tutoring or mentoring
- Maintain a record of good citizenship and avoid the unlawful use of drugs and alcohol
- Achieved a score of proficient or advanced on the Algebra I end-of-course exam
BEFORE AND AFTER SCHOOL CARE

Several of our schools have before and after school care provided by the YMCA. For registration information, call the YMCA at 521-1822.

BULLYING

In order to promote a safe learning environment for all students, the Hazelwood School District prohibits all forms of bullying. The district also prohibits reprisal or retaliation against any person who reports an act of bullying among or against students.

Definitions

**Bullying** – In accordance with state law, bullying is defined as intimidation, unwanted aggressive behavior, or harassment that is repetitive or is substantially likely to be repeated and causes a reasonable student to fear for his or her physical safety or property; that substantially interferes with the educational performance, opportunities or benefits of any student without exception; or that substantially disrupts the orderly operation of the school. Bullying includes, but is not limited to: physical actions, including violence, gestures, theft, or property damage; oral, written, or electronic communication, including name-calling, put-downs, extortion, or threats; or threats of reprisal or retaliation for reporting such acts.

**Cyberbullying** – A form of bullying committed by transmission of a communication including, but not limited to, a message, text, sound or image by means of an electronic device including, but not limited to, a telephone, wireless telephone or other wireless communication device, computer or pager. The district has jurisdiction over cyberbullying that uses the district's technology resources or that originates on district property, at a district activity or on district transportation. Even when cyberbullying does not involve district property, activities or technology resources, the district will impose consequences and discipline for those who engage in cyberbullying if there is a sufficient nexus to the educational environment, the behavior materially and substantially disrupts the educational environment, the communication involves a threat as defined by law, or the district is otherwise allowed by law to address the behavior.

**School Day** – A day on the school calendar when students are required to attend school.

**Designated Officials**

The principal of each building is hereby designated as the individual to receive and investigate reports of bullying. Each building principal shall designate at least two teachers or administrators in the building who are authorized to receive and investigate reports of bullying in the principal's absence or at the principal's discretion.

The district compliance officer appointed in policy AC will serve as the districtwide anti-bullying coordinator. The anti-bullying coordinator will receive all completed investigative reports from all buildings and analyze the reports to identify any information that would inform
the district's antidiscrimination and anti-bullying education and training programs. In addition, the anti-bullying coordinator will assist in making any relevant reports as required by state and federal law.

**Reporting Bullying**

School employees, substitutes or volunteers are expected to intervene to prevent student bullying, appropriately discipline the perpetrator, assist the victim and report the incident to the building principal or designee for further investigation and action. Any school employee, substitute or volunteer who witnesses or has firsthand knowledge of bullying of a student must report the incident to the building principal or designee as soon as possible, but no later than two school days after the incident.

Students who have been subjected to bullying, or who have witnessed or have knowledge of bullying, are encouraged to promptly report such incidents to a school employee. Any school employee receiving such a report shall promptly transmit the report to the building principal or designee.

If the bullying incident involves students from more than one district building, the report should be made to the principal or designee of the building in which the incident took place or, if more appropriate, to the principal or designee of the building attended by the majority of the participants in the incident.

**Investigation**

Within two school days of receiving a report of bullying, the principal or designee will initiate an investigation of the incident. Reports that involve students from multiple buildings will be investigated cooperatively by the principals of each building involved, or those principals may request that the district’s compliance officer designated in policy AC conduct the investigation. If at any time during the investigation the principal determines that the bullying involves illegal discrimination, harassment or retaliation as described in policy AC, the principal will report the incident to the compliance officer designated in that policy, who will assist in the investigation. If the alleged bullying involves a special education student or a student with disabilities, the principal will also notify the special education director.

The investigation shall be completed within ten school days of the date the report of bullying was received unless good cause exists to extend the investigation. Upon completion of the investigation, the principal will decide whether bullying or harassment occurred and, if so, whether additional discipline is warranted in accordance with the district's student discipline code. The principal will generate a written report of the investigation and findings and send a copy of the completed report to the district's anti-bullying coordinator. The principal or designee will document the report in the files of the victim and the alleged or actual perpetrator of bullying. All reports will be kept confidential in accordance with state and federal law.
If the incident involved allegations of illegal discrimination or harassment, the principal's decision may be appealed in accordance with policy AC. Student discipline may be appealed when allowed by law in accordance with Board policy.

The principal or other appropriate district staff will work with victims and their families to access resources and services to help them deal with any negative effects that resulted from the incident.

Consequences

Students who participate in bullying or who retaliate against anyone who reports bullying will be disciplined in accordance with the district's discipline code. Such discipline may include detention, in-school suspension, out-of-school suspension, expulsion, and removal from participation in activities, exclusion from honors and awards, and other consequences deemed appropriate by the principal or superintendent. The district will also contact law enforcement when required by law or notify social media companies of inappropriate online activity when appropriate.

Even in situations where the district does not have jurisdiction to discipline a student for bullying, such as when the acts take place off campus and there is an insufficient nexus to the district, the principal or designee will take appropriate actions to assist student victims. Such actions may include, but are not limited to, contacting the parents/guardians of the victim and the alleged perpetrators, communicating that this behavior is not allowed on district grounds or at district activities, notifying the appropriate district staff to assist the victim, and taking additional action when appropriate, such as notifying law enforcement or social media companies of inappropriate online activity.

District employees and substitutes who violate this policy will be disciplined or terminated. Discipline may include suspension with or without pay, a negative evaluation, and prohibition from being on district property or at district activities, mandated training or other appropriate remedial action. Volunteers who violate this policy will no longer be permitted to volunteer.

Policy Publication

The district shall annually notify students, parents/guardians, district employees, substitutes and volunteers about this policy and the district's prohibition against bullying. A copy of this policy shall be included in student handbooks and posted on the district's website.

Training and Education

The district's anti-bullying coordinator will provide information and appropriate training designed to assist employees, substitutes and volunteers who have significant contact with students in identifying, preventing and responding to incidents of bullying.

The district will provide education and information about bullying and this policy to students every year. The principal of each school, in consultation with school counselors and other
appropriate school employees, will determine the best methods for facilitating the discussion. Methods may include, but are not limited to: assemblies; homeroom presentations; class meetings; team or club meetings; special presentations by counselors, social workers or mental health professionals; and open-house events. When practical, parents/guardians will be invited to attend.

In addition to educating students about the content of this policy, the district will inform students of:

1. The procedure for reporting bullying.
2. The harmful effects of bullying.
3. Any initiatives the school or district has created to address bullying, including student peer-to-peer initiatives.
4. The consequences for those who participate in bullying or engage in reprisal or retaliation against those who report bullying.

School counselors, social workers, mental health professionals, school psychologists or other appropriate district staff will educate students who are victims of bullying about how to overcome the negative effects of bullying including, but not limited to:

2. Teaching the student to defend him- or herself assertively and effectively without violence.
3. Helping the student develop social skills
4. Encouraging the student to develop an internal locus of control.

Additional School Programs and Resources

The Board directs the superintendent or designee to implement programs and other initiatives to address bullying, respond to such conduct in a manner that does not stigmatize the victim, and make resources or referrals available to victims of bullying. Such initiatives may include educating parents/guardians and families on bullying prevention and resources.

**CAFETERIA AND FOOD SERVICES**

Cafeteria services are provided during breakfast and lunch. All breakfasts and lunches served meet the requirements of the U.S. Department of Agriculture and include a choice of drink. Breakfast is free for all elementary students. Please go to www.hazelwoodschools.org for current lunch prices. Schools will continue the Computerized Prepayment System for complete balanced school meals. Payment may be made by cash or check. Please make all checks payable to Hazelwood School District.

Parents can log onto www.myschoolbucks.com and prepay for their child’s meals using a credit card. Once your account is established, you can check balances and fund the account from your
computer, phone or fax. Parents without Internet access can call a toll-free number (1-855-832-5226) to receive an application to pay by phone or fax.

Siblings may not use each other’s accounts without permission from the Food Services Director.

Students qualifying for free meal benefits make no payments. Students qualifying for reduced price meals must make prepayments of adjusted amounts according to the same procedures as all other students. Students must still enter their number. Students who have no money in their account will be provided a free sandwich and the choice of sides and a drink.

In order to reduce the amount of paper usage and increase efficiency, the District is no longer copying and sending home menus. The menus are available on our website at www.hazelwoodschools.org. Students may also bring their lunch. Lunch items brought from home should meet the District’s EatSmart guidelines.

Information regarding free/reduced meals is available in the school office.

**ELEMENTARY SCHOOL**

A charge is made against this account each time the student enters his or her student number on a keypad or a lunch card is scanned at the cafeteria checkout. Students should be taught to keep their identification number confidential. Students are reminded when their account is low. A prepayment envelope will be given to each child when the account shows that the student has only three lunches left.

**MIDDLE SCHOOL/HIGH SCHOOL**

The District uses a computerized meal accounting system. The system scans the bar code on the student’s I.D. badge; therefore, students must display and use their District-issued student I.D. badge to eat breakfast and lunch each day. Students must prepay for their breakfast/lunch. Pre-payments into a student’s account may be done by obtaining a pre-payment envelope from the cafeteria cashier or by picking one up in the grade level offices. Students who are on a free or reduced payment lunch plan must have the annual paperwork filled out and returned each year. Failure to turn in these forms in a timely manner may result in a delay of students being approved for the free or reduced meal prices. Students are not allowed to charge lunches. Students may also bring their lunch. Lunch items brought from home should meet the District’s EatSmart guidelines.

**CHILD ABUSE AND PROTECTION**

Missouri law requires that school administrators, counselors, or teachers to report all incidents of suspected child abuse or neglect to the proper legal authorities. Any school employee, pursuant to the performance of his/her duties, having reasonable cause to believe that a child coming before him/her has physical injuries that may have been intentionally inflicted by a person responsible for the child’s care, must notify the Children’s Division and the administrator in charge of the child.
CITIZENSHIP AND DISCIPLINE

Students and teachers have different roles in the school environment. Students need to be mindful of these roles and understand that while at school, the teacher serves as an authority figure.

The law provides teachers with considerable authority over the control and education of the child, once the child has been sent to school by the parent. Students are expected to be respectful to all students, faculty and staff: teachers, principals, counselors, cafeteria workers, custodians, security officers, etc., and visitors in the building. Students should follow faculty and staff’s instructions upon the first request in a positive manner, i.e., no back talk, rude gestures, or destruction of school property. Rude, disrespectful, and potentially violent language, behavior and actions will not be tolerated and will result in the appropriate disciplinary action.

ATHLETIC PARTICIPATION AND EVENT CONDUCT

To be eligible to participate in school athletics and activities is a privilege—not an inherent right—granted if you meet the eligibility standards as set forth by the Missouri State High School Activities Association. MSHSAA eligibility standards can be found at www.mshsaa.org or see your school’s activities director. A student whose character or conduct is such as to reflect discredit upon himself/herself may be removed from the team.

Students are expected to follow the Student-Parent Handbook/Behavior Guide during all school-sponsored events. Students are encouraged to demonstrate school spirit through positive avenues, such as wearing school colors, attire, and cheering for their team. Please be respectful of all spectators and opposing teams and their fans. Any violation of school policy can result in disciplinary action.

COMMUNICATION AND VISITING SCHOOLS

BOARD OF EDUCATION

Check www.hazelwoodschools.org in the “about us” section for information on Board of Education meetings.

CHANGE OF ADDRESS OR PHONE NUMBER

For your child’s safety and well-being, please notify the school immediately if you have a change of address and/or phone number either at home or at work. If you have a change of address, documentation of such a change must be presented to the school office. Cell phone numbers may also be sent to the school office.

CONTACTING TEACHERS

Parents wishing to contact their child’s teacher may call the school office or a teacher’s voice mailbox. To leave a message for a teacher, dial 953-5203 (Express Messaging). If you know the voicemail number, it will instruct you to enter it now. If you don’t know the voicemail number,
press 11, listen, and then enter the last name followed by first name of the teacher. TEACHERS WILL NOT TAKE CALLS DURING CLASS TIME.

Please make appointments for conferences with teachers in advance. You may also e-mail a teacher. Go to www.hazelwoodschools.org for an e-mail directory.

FACULTY/STAFF CONTACTS
Faculty and staff may be contacted through voicemail or e-mail. Voicemail numbers and e-mail addresses may be found on the school’s webpage. When using the voicemail system, please dial 314-953-5203, and then enter the teacher’s five digit voicemail number. If you do not know the teacher’s voicemail number, you can access the names’ directory by pressing “11” and then enter the teacher’s last name.

Faculty and staff will make every effort to return your voicemail or e-mail promptly.

Opportunities to interact with the principal, teacher or counselor are available during open house, parent/teacher conferences, or by appointment. Please call the person you would like to meet with and arrange a mutually convenient time. Please be aware that you will need to sign in at the main office if meeting with a faculty member and wait for instruction.

Assistant Principals: In all middle and high schools, and certain elementary schools, students are assigned an assistant principal when they enroll. The assistant principal’s role in the school is an instructional leader. While teachers work with every student to resolve discipline issues, the assistant principal may be called to intervene in certain situations. The assistant principal will follow the Student-Parent Handbook/Behavior Guide when dealing with student misbehavior and violations.

Counselors: Students are assigned a guidance counselor when they enroll. The counselor’s role in the school is to provide the needed support and guidance to help facilitate success and to address any academic, career, educational, personal and/or social concerns. Counselors are trained to administer and interpret educational and occupational interest tests and surveys, and provide individual, group, and crisis counseling. You can contact your child’s counselor if you have concerns or questions, or call and schedule an appointment.

PARENT CONFERENCES
The first quarter report cards is presented during the parent-teacher conferences. Additional conferences are suggested whenever the teacher or parent feels communication needs to be facilitated through direct contact.

PARENT PORTAL
The parent portal is a web-based, password-protected website, that not only displays homework and grade information, you can also see immunization information, attendance and discipline for your student. See our website at www.hazelwoodschools.org for additional information.
PARENT VISITS
Parents are encouraged to visit the school; however, visits to individual classrooms must be arranged in advance by contacting the teacher to schedule a visit. FOR THE SAFETY OF OUR STUDENTS, ALL VISITORS MUST REGISTER IN THE SCHOOL OFFICE UPON THEIR ARRIVAL. Please check out at the office after your visit.

REPORT CARDS AND PROGRESS REPORTS
Report cards are issued four times a year. Mid-quarter progress reports are sent home with students who are demonstrating academic or behavioral problems. Additional progress reports will be sent as needed.

Middle school report cards are issued three times a year. Mid-trimester progress reports are sent home with students who are demonstrating academic or behavioral problems. Additional progress reports will be sent as needed.

SCHOOL CLOSING DUE TO INCLEMENT WEATHER—953-SNOW
Please tune to area radio and television stations such as KMOX-1120 AM, KTVI-Channel 2, KMOV-Channel 4, KSDK-Channel 5, KPLR-Channel 11 and HSD-TV, for cancellation information; or call the Hazelwood School District Snow Line at 953-SNOW. You can also go to the Hazelwood School District website, Facebook page, and Twitter account for up-to-the-minute closings. In addition, you will also receive an auto-dial call from the District. Unless absolutely necessary, please do not call the school to find out whether school is in session. Such calls tie up the phone lines.

If school is closed or there is an early release due to inclement weather or an emergency, there will be no Latchkey. However, if the early release is within the hour before dismissal 2:50 p.m.- 3:50 p.m., or if evening activities are cancelled, Latchkey will be open, and the YMCA will call parents and ask them to pick up their children. This is also explained in the Latchkey parent handbook.

SCHOOL-TO-HOME COMMUNICATION
The school will periodically send communications containing special announcements and information about school activities through Peachjar, email and autodials. Log on to the Hazelwood website for up-to-the-minute information about the District. Each school has a home page on the web. Watch for school and District activities on HSD-TV. Sign up for the District e-mail newsletter, “HSD E-Mail Extra,” at www.hazelwoodschools.org

Please check on a regular basis for school announcements and classwork that are sent home.

TELEPHONES AND MESSAGES
The office and classroom telephones are for business use, but may be used when permission is given by the office staff and/or teacher. Students are not to use these phones without permission. Parents are asked not to call and leave messages for students except in the case of an emergency.

A-13
COMMUNITY SERVICE REQUIREMENT (HIGH SCHOOL)

The Hazelwood School District strives to create concerned and committed students who will make a difference throughout the community and will have a voice in social change. Therefore, all students attending four years of high school are required to complete 50 hours* of community service before graduating and being allowed to participate in graduation ceremonies. These hours can be completed during the school year or during school breaks. All community service activities must be pre-approved by the community service coordinator in your building.

*Transfer student hours will be prorated, dependent upon semesters completed at a Hazelwood high school.

CURRICULUM, GRADING AND HOMEWORK

The Hazelwood School District curriculum is carefully developed and consistently revised to provide a comprehensive program which will best prepare our students for the world of tomorrow. The core subjects include English language arts, mathematics, science and social studies. Students also receive instruction in art, music, health, physical education, study skills, library skills, computer applications and group counseling activities through the Missouri Model Guidance curriculum.

The District aligns curricula, instruction and assessment to the Missouri Learning Standards. More specific information about District curriculum can be accessed at www.hazelwoodschools.org

ACADEMIC STANDARDS AND GRADING SCALE

Academic standards and grading policies have been set by the Hazelwood Board of Education in order to maintain the high quality for which our schools are known. Students are expected to perform according to their highest potential and all students are required to demonstrate consistent mastery for each grade level in order to be promoted. Report cards are sent home at the end of each grading period to inform parents of their child’s academic progress, effort, conduct and work habits. Grades in grade levels three through five are assigned according to the following categories on the following page.

RETAKE “NOT YET” GRADING PROCEDURES

- All students will be given an opportunity for one attempt per assessment to retake an assessment to improve their percentage. This does not apply to mid-semester, finals and tests that are graded outside the district.

- Any student requesting to retake an assessment must arrange with the teacher and attend help session(s) before, during, or after school. (This will ensure that the necessary assistance is provided prior to retaking the assessment).

- All assessment retakes must be completed prior to the next assessment. *An Individual Educational Plan (IEP) or 504 plan may supersede this guideline.

- The student’s final grade on that assessment will be the higher of the two grades.

HOMEWORK

Home study is a necessary part of school. Students will be expected to spend time doing homework in addition to attending their scheduled classes to achieve satisfactory progress. Some assignments are long-range in nature and require planned study time for completion. Students are strongly encouraged to develop good study habits. Study buddies in each class are helpful in order to discuss or retrieve missed work when absent. Homework policies are developed in each class or grade level team to promote the success and learning of all students and deter failing grades. Parents are reminded that daily reading is a part of homework.

RATIONALE FOR HOMEWORK PROCEDURES

Homework provides the following:

- The opportunity for independent learning.
• The opportunity for students to develop learning habits that will serve them the rest of their lives.
• With the mindset that learning does not start or end in school but is a continual life-long process.

THE PURPOSE OF HOMEWORK

• Practice – to help students master specific skills which have been presented in class; Students’ speed and accuracy increase with practice.
• Preparation – to help students gain the maximum benefits from future lessons’ and/or to set learning goals.
• Extension – to provide students with opportunities to transfer specific skills or concepts to new situations through research, comparing items, constructing support for an argument and representing knowledge in a graphic organizers
• Creativity/Application – to require students to integrate many skills and concepts in order to produce original responses.

GENERAL HOMEWORK GUIDELINES

• All students are expected to complete assigned homework to the best of their ability and on time.
• Every homework assignment will be evaluated and returned to students in a timely manner.
• Homework should be directly related to classroom learning and appropriate for the individual student. As such, homework should:
  – not be assigned as a disciplinary measure (District policy)
  – recognize a student’s home study time may need to be divided among several subjects and should not be excessive
• When assigning long-term assignments teachers should:
  – schedule an assignment timeline with checkpoints that helps the teacher, parent and student monitor progress
  – provide sufficient and timely feedback to students to allow them to make mid-assignment corrections
• The average (nightly total) suggested time length for specific grades levels are:

* It is difficult to regiment the assignment of homework, either in time or in amount.
TEACHER RESPONSIBILITIES

- To provide meaningful assignments that reinforce concepts, stimulate creativity, and develop critical thinking skills or provide the students with an opportunity to extend their knowledge of the subject. These assignments should increase in difficulty as a student’s grade and skill level increases.
- To regularly evaluate homework practices. This should take place as a natural consequence of the assessing, evaluating, and lesson-planning process.
- Make every effort to ensure that homework assignments are defined and clearly understood by students at the time of the assignment.
- Confer with parents regarding homework concerns when they arise.
- Have appropriate assignments available for completion for students who were absent.
- Maintain accurate records for parents to access via the Parent Portal.
- Give credit for homework appropriate to the assignment made and to give students opportunities to re-do (display proficiency) the assigned work.
- Work as a staff to develop procedures to insure homework assignments are coordinated across disciplines.

PARENT RESPONSIBILITIES

- Take an active interest in your child’s progress and activities in school.
- Contact the teacher, counselor, or administrator if problems develop concerning homework.
- Provide a suitable, well-lit, and quiet place with appropriate materials for your child to study.
- Help the student manage time for homework, as well as chores, hobbies, school activities, jobs and recreation.
- Encourage your child to ask questions and request assistance of the teacher if he or she does not clearly understand an assignment or lesson.
- Offer guidance and suggestions, but resist the temptation to work the problem, write the composition, or do the research for the student.
- Acknowledge responsible homework habits and efforts with praise.
- Contact the school and/or the teachers for makeup assignments when applicable.

STUDENT RESPONSIBILITIES

- All high school students are expected to complete assigned homework to the best of their ability and on time.
- Understand the homework assignment(s) before leaving school.
- Take home all necessary materials to complete the assignment(s).
- Schedule time free of distractions and compatible with family and/or after-school activities.
- Complete the homework on time and to the best of your ability each and every time.
- Talk with teacher(s) regarding homework concerns.
- Contact the school and/or the teachers for makeup assignments when applicable.
• Students should manage time for homework, as well as chores, hobbies, school activities, jobs and recreation.
• It is the student’s responsibility to get the missing homework from the teacher.

LATE HOMEWORK GUIDELINES
• Students who have missed work due to an “excused” absence will be given the same number of days to return completed work as days they were absent. For example, if a student is absent 5 school days, then he/she will have 5 school days to get the assignments turned in. Additional time may be granted at the teacher’s discretion.
• It is the student’s responsibility to get the missing homework from the teacher.

DRESS CODE

Students must come to school dressed in appropriate attire every day. Students’ grooming is expected to be neat, clean and in good taste so that each student may share in promoting a positive, healthy and safe atmosphere.

Students should respond appropriately to any reasonable staff request involving the dress code. When, in the judgment of the principal, a student’s appearance or mode of dress disrupts the educational process, or constitutes a threat to health or safety, the student may be required to make modifications. Please refer to the Student-Parent Handbook/Behavior Guide for more specific information on the dress code and disciplinary actions. In schools with uniforms, students are expected to comply with the school uniform policy.

SCHOOL UNIFORMS
The following schools have adopted a school-wide uniform policy:

Elementary Schools: Arrowpoint, Barrington, Brown, Grannemann, Garrett, Jamestown, Keeven, Larimore, Lusher, Townsend and Twillman

Middle Schools: Central Middle, North Middle and Southeast Middle

EMERGENCY CLOSINGS AND EARLY DISMISSAL

EARLY DISMISSAL DUE TO AN EMERGENCY
Occasionally, early dismissal of students will occur. Be sure to have plans made for the care of your child should school be dismissed earlier than usual. This includes safe transportation from school for students who do not ride a bus. Early dismissal cancels all night activities, including practices.

If school is closed or there is an early release due to inclement weather or an emergency, there will be no Latchkey. However, if the early release is within the hour before dismissal 2:50 p.m.-
3:50 p.m., or if evening activities are cancelled, Latchkey will be open, and the YMCA will call parents and ask them to pick up their children. This is also explained in the Latchkey parent handbook.

**EMERGENCY COMMUNICATIONS**

In case of early closing of school due to bad weather or other natural disaster, or in case of emergency related to your child, please be sure to list three additional emergency contact names and phone numbers. Notify the school office if any of the numbers change.

**EMERGENCY DRILLS**

Every school in the Hazelwood School District must conduct emergency drills for severe weather, earthquake, bomb threats and intruders. Each school has an individualized emergency plan.

**FIELD TRIPS**

Students may be provided opportunities to participate in field trips throughout the year. It is the student’s responsibility to return the written permission slip and fees by the designated date. Failure to return the necessary paperwork and fees may result in the student not participating in the activity. Teachers may develop the criteria for student field trip eligibility. These criteria may include, but are not limited to, attendance, academic performance and behavior. Attendance at school on the day of a field trip is expected even if a student chooses not to participate or is not allowed to participate in the field trip. Meaningful activities will be provided. Students are responsible for all work missed due to participation on a field trip.

**GUIDANCE AND COUNSELING SERVICES**

Guidance services such as assistance with educational planning, interpretation of test scores, career information, academic assistance, and help with home and/or social concerns are available to all students in the Hazelwood School District. Counselors also have access to information on community services that provide assistance and conduct support groups on an as-needed basis. Counselors will help mediate student conflicts and work with students in the classroom setting to provide information on issues that students face on a daily basis. Students who would like guidance services may make an appointment to visit with their counselor by following their school’s procedure or by having their parents call the school. Hazelwood School District schools also have a social worker available who collaborates with school staff to assist with various student and family matters.

**HALL PASSES**

Students are not permitted in the halls during class periods unless accompanied by a teacher or in possession of a hall pass from a teacher or staff member. Students must have a pass to see a teacher, counselor, principal, or to use the telephone.
HARRASSMENT

All students are expected to treat one another with courtesy, dignity and respect. No students are to be subjected to any form of harassment. Any student who believes he/she needs help in stopping any type of harassment shall verbally report the incident to any staff member with whom he/she feels comfortable discussing the incident, or may write and submit the complaint on a Student Statement Form. If a thorough investigation reveals that harassment has occurred, prompt consequences will be assessed that match the severity of the occurrence.

Repeated incidents of harassment will result in increasingly serious consequences to the offender in accordance with our Student-Parent Handbook/Behavior Guide. If a parent is aware of harassment at school, they should call their child’s teacher, counselor, grade level principal, or the Safe Schools Hotline at 889-SAFE (7233).

HEALTH AND SAFETY

Your children benefit from the professional services of a registered nurse if they become ill or injured. Our nurses are in the schools full time. You will receive the nurse’s office numbers from the school office.

COMMUNICABLE DISEASES

If your child contracts a communicable disease and has to stay at home for a long period of time, each teacher will make arrangements for make-up work. If you are not sure when your child should be sent back to school, call the school nurse or your physician.

CRITERIA FOR EXCLUSION FROM SCHOOL (CONTROL OF COMMUNICABLE DISEASE)

Children are sent home for the following reasons:

1. Temperature of 100 degrees F or above
2. Vomiting due to illness
3. Diarrhea
4. Undiagnosed rash, lice or scabies
5. Suspected eye infection
6. Suspected contagious disease

Children may return to school as follows:

1. Temperature below 100 degrees F for 24 hours without medication (e.g., Tylenol, Motrin, etc.)
2. Rash: absence of symptoms, and/or note from the doctor stating that the student is not contagious or that treatment has been started.
3. Vomiting or diarrhea: following normal diet for 24 hours - child has no further vomiting or diarrhea.
4. Pink eye: absence of symptoms, and treatment from doctor (e.g., antibiotic drops/ointment) for 24 hours or diagnosis by doctor that student is not contagious.
5. Head lice: absence of lice, “nits” or eggs. Parent/adult must accompany child to the clinic to be checked by school nurse before returning to the classroom.
EMERGENCY MEDICATION
Written standing orders from the District’s consulting physician will be obtained annually for the administration of emergency medication. All student-occupied buildings in this district are equipped with prefilled epinephrine auto syringes and albuterol sulfate inhalation solution that can be administered by the school nurse or other school employee trained and supervised by the nurse when the nurse or trained employee believes, based on his or her training, that a student is having a life-threatening anaphylactic reaction or an asthma episode. Parents are to notify the school nurse or principal if their student cannot receive albuterol or epinephrine.

EXCUSES FROM PHYSICAL EDUCATION OR OUTDOOR ACTIVITY
Students may be excused from going outside or from physical education classes for a maximum of two days upon receipt of a note from a parent or guardian. This note must state the reason for the excuse; specify the dates the child should be excused and, must be approved by the principal. An extension of time to be excused for a specific illness may be granted upon receipt of a signed statement from a doctor stating that: (a) the child should be excused from outdoor activity and/or physical education, and (b) the duration of time for which the excuse applies.

HOME TEACHING FOR LONG-TERM ILLNESS
If your child must be out of school for a prolonged period, contact the principal as soon as possible so that it can be determined whether your child qualifies for services which would bring a teacher to your home or to the hospital.

ILLNESS OR INJURY
In case of illness or injury, a child will be cared for temporarily by the school nurse or an authorized member of the school staff. School personnel will render first-aid treatment only. If emergency medical treatment is necessary, the parents will be contacted. If parents are not available, the child will be taken to the emergency room at the hospital. Remember that an emergency telephone number for the student’s doctor must be on file at the school.

If a child is feeling unwell, running a fever, vomiting, or has diarrhea during the evening or in the morning before school, they should not come to school that day.

IMMUNIZATIONS
Proof of immunization must be sent to the school nurse. The nurse is authorized to accept documentation from a physician on the physician’s letterhead that includes the month, day, and year of vaccine administration. Students should be immunized against diphtheria, tetanus, pertussis, polio, measles, mumps, rubella, hepatitis B and varicella (chickenpox), Eighth grade students are required to have one dose of the Tdap and meningitis vaccinations. Twelfth grade students are required to have two doses of the meningitis vaccination. Students who are not adequately immunized or do not have documentation of exemption will not be permitted to attend class. The school clinic has information pertaining to the immunization requirements.
Locations for the St. Louis County Health Departments where immunizations are available can be picked up from the school clinic.

MEDICAL INFORMATION
We must have on file MEDICAL INFORMATION for your child. The school front office should have numbers where you can be reached in case of illness or emergency. It should also list someone who is always available to pick up your child if we cannot reach you.

Update your child’s emergency information whenever changes are needed in names and/or phone numbers.

MENTAL HEALTH EVALUATIONS AND THERAPEUTIC COUNSELING SERVICES
Students may at times require counseling to work through various emotional issues. If outside counseling is needed, please contact your school counselor/social worker for a referral to the following agencies:

- Family Solutions for Kids (K-12)

PHYSICAL EXAMINATION
It is recommended that every child attending the Hazelwood School District should have a complete physical examination at the beginning of the school year in kindergarten, grades 4, 7 and 10. It is also recommended that students new to the school system should have a complete physical examination regardless of grade level. Forms for this purpose are available from the school nurse or on the Health Services website.

PROCEDURES FOR ADMINISTERING MEDICATION FOR STUDENTS REQUIRING MEDICINE AT SCHOOL
Hazelwood School District policy (JHCD) allows for the administration of medication to students who require it during the school day to enable them to remain in school and participate in their education. Below are the required procedures for providing this service for students.

- The District will accept the prescription label as an equivalent of the physician’s or prescriber’s order for medications. A completed parental permission form is also required. Written direction includes the name of the student, the name of the medication, the dosage, the frequency of administration, the time medication is to be given at school, the reason for the medication, possible side effects and the termination date for administering the medication. (A form is available in the clinics.)
• Medication must be delivered by the parent/guardian or other responsible adult.
• No over-the-counter medication shall be given to a student without a completed parental permission form.
• The District **will not** administer the first dose of any medication.
• The parent/guardian of the student must assume responsibility for informing the nurse of any change in the student’s health or medication.
• If there is a change in medication or medication dosage, a written prescription is needed from the physician.
• All medication is to be in the original prescription bottle, or the original over the counter container, with no more than a 30-day supply and the following information on the label:
  Child’s name  
  Name of medication and dosage  
  Physician’s name  
  How the medication is to be given (time and frequency)  
  Special storage requirements (e.g. refrigeration)
• Schedule II (controlled substances) medication shall be inventoried upon receipt, using a form available in the clinic.
• The policy also addresses the need for students with chronic respiratory illness, who use metered dose inhalers, to use their medicine at school.
• Parents/guardians are responsible for picking up any medication that remains at the end of the school year. If it is not picked up, the nurse will destroy what is left.

Parents who have questions or concerns should contact the school nurse.

No student is allowed to have medication of any kind (even cough drops, aspirin, etc.) in his/her possession. A physician’s order is required for students with inhalers or insulin to self-administer. Please contact your school nurse for more information. All other medications must be kept in the nurse’s office. **Medications are only administered in the clinic by qualified school personnel.** Refrigeration is available.

**SPECIAL MEDICAL NEEDS**

It is essential that we know if your child has special medical needs. It is the parent’s/guardian’s responsibility to fill out appropriate emergency forms and provide us with emergency procedures in the event that your child needs to be treated for such emergency conditions as allergic or diabetic reactions.
ID POLICY (MIDDLE AND HIGH SCHOOL ONLY)

All students must wear their school-issued ID during school hours. Student IDs must be worn on the school-issued lanyard around the neck during school hours. The IDs must be worn in the front and must be visible at all times. Students will not deface their IDs (write on ID, put stickers on ID, etc.). Students must present their ID to any adult when requested.

IF THERE IS AN ISSUE AT SCHOOL

The Hazelwood School District is committed to the success of every student. It is well understood the best results are achieved when the home and school work in partnership with one another. Although steps are taken to ensure that each student has a positive school experience, issues will sometimes occur. To ensure that issues are handled promptly and effectively, the District has prepared guidelines for seeking solutions to issues:

1. Speak first with the teacher if the issue is related to the classroom.
2. You may contact the grade level principal if you wish to receive assistance in solving issues that are not resolved after talking with the teacher.
3. You may contact the principal if you wish to receive assistance in solving issues that are not resolved after talking with the grade level principal or if they involve a function of the school. Questions related to Special School District will be directed to the area coordinator.
4. You may contact an assistant superintendent if you wish to receive assistance in solving issues that are not resolved after talking with the principal. Other issues or questions concerning the school district should be directed to the appropriate Central Office Administrator.
5. You may contact the deputy superintendent to receive assistance in solving issues not resolved after talking to the assistant superintendent.
6. You may contact the superintendent (in writing) if you wish to receive assistance in solving issues that are not resolved after talking with the deputy superintendent.

INTERNET USE

The Internet is available for research use. We will follow the Acceptable Use Policy of the Hazelwood School District. The library and classrooms will have the World Wide Web access through the Internet. Students will not be allowed to create, send or receive e-mail at school unless the assignment is part of an approved instructional project. An Internet privilege may be revoked due to inappropriate use of access privileges. Any student on an inappropriate site will have his/her license revoked for one school year. “Students specifically agree not to submit, publish, or display any defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material, nor shall a member encourage the use of controlled substances.” Students may not post, print, or download any files without the consent of the supervising teacher. Doing so may result in loss of Internet privileges.
LEAVING CAMPUS

Students are not allowed to leave campus unless written permission from parent(s) has been given and approved in the office. Students wanting or needing to walk home must have a note on file in the office giving permission from the parent(s)/guardian(s) for the student to walk home.

Bus transportation is provided on early dismissal days, but students will be allowed to walk if they have a permission slip from the parent(s) on file in the office prior to the day of early dismissal. If further clarification is needed, please contact the building administration.

LIBRARY PROCEDURES

The School library contains hardback and paperback titles for use by our students and faculty. The library is open during regular school hours for student use and is used on a regular basis by classes doing research and/or check-out. The purpose of the school library is to provide educational resources for the student population. The library is also a place for relaxation and reading enjoyment, as well as a place for quiet study and research. In order to maintain this atmosphere, appropriate library behavior is expected.

LOCKERS

Each student in the middle and high school will be issued his/her own hallway locker and lock at the beginning of the school year. Personal locks may not be used on hallway lockers. All lockers are the property of the Hazelwood School District and may be entered at the discretion of the administration.

- Lockers MUST be locked at all times. Leaving a locker set on a number makes it accessible to other students.
- Locker combinations MUST NOT be shared or exchanged with others.
- Students who change lockers without permission from the office, or use another student’s locker, will be subject to disciplinary action.
- Students are responsible for all items kept in their locker.

Since a locker is the property of the school, it may be inspected. Students must use only the locker that is assigned to them. To assure that the equipment in our building is treated with care, stickers or taped items may not be used on or inside lockers. The size of our lockers requires that they house only required school supplies, books and coats. If a lock is lost, a new lock will be issued at a replacement fee of $5.00.
PARKING PROCEDURES (HIGH SCHOOL)

Parking is reserved for faculty, staff, parents and visitors. Only students who have an office-issued parking pass that is displayed properly may park on campus. Students should park in designated areas.

In order for everyone to be safe during schools hours, drivers are requested to please observe all posted traffic speeds, signs for dropping off and picking up, and to use common courtesy when driving on school premises. Please observe all school security officers, school resource officers and postings on the school campus.

PARTY SNACKS/TREATS (ELEMENTARY SCHOOL)

Hazelwood School District follows the recommendations of the St. Louis County Department of Health and the Advanced Missouri Eat Smart Guidelines with regards to party treats. Food prepared in private homes is not permitted. The District has a new program for treats for classroom birthday parties. Parents or guardians who wish to plan a birthday for their child at school are encouraged to complete an order form from the Child Nutrition Department.

Available treats meet the Eat Smart Advanced Guidelines adopted by the District and the ice and juice contain no allergens. Any treats brought in from the outside for classroom birthday parties, must be prepackaged, meet the Eat Smart Guidelines and need to be approved by the teacher and/or school nurse to make sure that they contain no allergens.

Napkins, plates, utensils and treats will be delivered to the student and classmates during their lunch period. Early childhood students will have their treats delivered to the classroom.

If you have questions about the classroom birthday party program, contact the Hazelwood School District Child Nutrition Department at (314) 953-5990 or contact your child’s school cafeteria.

Typically, there are two classroom parties a year. Each school principal and staff will decide which parties are appropriate for their school. The Advanced Missouri Eat Smart Guidelines require food that meets certain health guidelines. Therefore, cupcakes and candy are not allowed. Go to the District website to view the Eat Smart Guidelines.

RESIDENCY

All students are required to be housed or living full-time in the Hazelwood School District unless he/she is otherwise legally entitled to attend the district. This will be determined by the Residency Office. The District may request an update regarding residency at any time. If leasing, a current lease will be requested each year to ensure uninterrupted attendance.
If you suspect someone is in violation of the residency requirement, please report this to the Residency Office at 314-953-5041.

**SAFETY AND SECURITY**

**SAFE SCHOOLS HOTLINE**
Students and parents alike are encouraged to report any threat against a student, faculty, staff or building to the principal in charge, however, anonymous reports can be taken through the Safe Schools Hotline at **314-889-SAFE (7233)**.

Students may not sell items at school.

VOLUNTEERS

The Hazelwood School District appreciates the countless hours our volunteers have spent improving the quality of education for our students. School volunteers are an integral part of the success of our school district. All school volunteers are required to complete a volunteer application and agreement, as well as sign a confidentiality agreement, technology usage agreement and universal precautions statement.

In addition, a background screening shall be performed for each volunteer who has regular and frequent contact with student, unsupervised or one-on-one contact with students, attends fieldtrips or serves in a supervisory role.

The volunteer will apply with the Missouri Department of Health & Senior Services (MDHSS) the agency that conducts background screenings for the District for a nominal fee. The application can be submitted electronically or be mailed directly to the agency. A master list of approved volunteers will be maintained at the District level. Once approved to volunteer, eligibility will apply to all District buildings.

All volunteers will renew their eligibility annually by obtaining a current confirmation from the agency at no cost to the volunteer.

Volunteer forms are located on the district website www.hazelwoodschools.org under the Parents and Community tab.
Earthquakes in Missouri

The highest earthquake risk in the United States outside the West Coast is in the New Madrid Seismic Zone, centered in southeast Missouri’s Bootheel. Damaging earthquakes are not as frequent as in California, but when they do occur, the destruction here can cover an area more than 20 times greater than a similar event there due to the nature of geologic materials in the region. A major earthquake could mean catastrophic damage in the St. Louis and southeast regions of the state, and significant damage throughout Missouri.

The New Madrid Seismic Zone and surrounding area in the central U.S. averages more than 200 earthquakes per year. Most can’t be felt, but a few can cause measurable damage.

Experts say there’s a 25 to 40 percent chance for a major earthquake in a 50 year period. The result could be major damage from St. Louis to Memphis. The last major earthquake in the New Madrid Seismic Zone was centered in southeast Missouri, near the town of Charleston, in 1895.

The Great New Madrid Earthquakes of 1811-12 were the largest in U.S. history east of the Rocky Mountains. The massive quakes destroyed homes, created lakes and briefly reversed the flow of the Mississippi River. Shaking was felt as far away as the east coast.

To help your family survive an earthquake, know what to do BEFORE, DURING, and AFTER a major quake strikes.

BEFORE:
- Put together an emergency kit – flashlight, first aid kit, radio, drinking water, blankets
- Develop a family communication plan – identify a relative living at least 100 miles away that everyone can call to “check in” with to tell family you’re safe
- Make sure all heavy or breakable items are on lower shelves
- Know how to turn off utilities

DURING:
- DROP to the ground
- COVER yourself under a sturdy table or desk, and cover your face and head with your arms
- HOLD ON to something sturdy until the shaking stops
- If you’re driving, pull off the road, away from buildings and utility poles, and stay in your car
- If you’re outside, drop to the ground, away from large objects, and cover your face and head with your arms

AFTER:
- Find your family; check for injuries
- If necessary, call 911 for help
- If you smell gas or hear a hissing sound, go outside – shut off gas valve
- Be careful to avoid live power lines and broken glass
- Listen to news for latest emergency information
- Be ready for aftershocks

• What baccalaureate degree major the teacher has and any other graduate certification or degree held by the teacher, and the field of discipline of the certification

In addition, you may request the following:
• Information on the achievement level of your child in each of the state academic assessments as required under this part: and
• Timely notice that your child has been assigned, or has been taught for four or more consecutive weeks by a teacher who is not highly qualified.

Children with Disabilities

All responsible public agencies are required to locate, evaluate, and identify children with disabilities who are under the jurisdiction of the agency, regardless of the severity of the disability, including children attending private schools, children who live outside the District but are attending a private school within the District, highly mobile children, such as migrant and homeless children, children who are wards of the state, and children who are suspected of having a disability and in need of special education even though they are advancing from grade to grade. The Hazelwood School District and Special School District assure that they will provide a free, appropriate public education (FAPE) to all eligible children with disabilities between the ages of 3 and 21 under its jurisdiction. Disabilities include autism, deaf/blindness, emotional disorders, hearing impairment and deafness, mental retardation/intellectual disability, multiple disabilities, orthopedic impairment, other health impairments, specific learning disabilities, speech or language impairment, traumatic brain injury, visual impairment/blindness and young child with a developmental delay.

The Hazelwood School District and Special School District assure that they will provide information and referral services necessary to assist the State in the implementation of early intervention services for infants and toddlers eligible for the Missouri First Steps program.

The Hazelwood School District and Special School District assure that personally identifiable information collected, used, or maintained by the agency for the purposes of identification, evaluation, placement or provision of FAPE of children with disabilities may be inspected and/or reviewed by their parents/guardians. Parents/guardians may request amendment to the educational record if the parent/guardian believes the record is inaccurate, misleading, or violates the privacy or other rights of their child. Parents have the right to file complaints with the U.S. Department of Education or the Missouri Department of Elementary and Secondary Education concerning alleged failures by the district to meet the requirements of the Family Educational Rights and Privacy Act (FERPA).

The Hazelwood School District and Special School District have developed a Local Compliance Plan for the implementation of State Regulations for the Individuals with Disabilities Education Act (IDEA). This plan contains the agency’s policies and procedures regarding storage, disclosure to third parties, retention and destruction of personally identifiable information and the agency’s assurances that services are provided in compliance with the General Education Provision Act (GEPA). This plan may be reviewed in the Office of the Superintendent of Schools during regular school hours on days school is in session.

This notice will be provided in native languages as appropriate.
Complaint Resolution Procedure

This complaint resolution procedure applies to all programs administered by the Department of Elementary and Secondary Education (DESE) under the No Child Left Behind Act (NCLB).

A Complaint is a formal allegation that a specific federal or state law or regulation has been violated, misapplied or misinterpreted by school district personnel or by DESE personnel.

Any parent or guardian, surrogate parent, teacher, administrator, school board member, or other person directly involved with an activity, program, or project operated under the general supervision of DESE may file a complaint. Such a complaint must be in writing and signed; it will provide specific details of the situation and indicate the law or regulation that is allegedly being violated, misapplied, or misinterpreted.

The written, signed complaint must be filed and the resolution pursued in accordance with local district policy: KL. If the issue cannot be resolved at the local level, the complainant may file a complaint with DESE. If there is no evidence that the parties have attempted in good faith to resolve the complaint at the local level, DESE may require the parties to do so and may provide technical assistance to facilitate such resolution.

Any persons directly affected by the actions of DESE may file a similarly written complaint if they believe state or federal laws or regulations have been violated, misapplied, or misinterpreted by DESE itself. Anyone wishing more information about this procedure or the way in which complaints are resolved may contact local District or DESE personnel.
The Mission of the Hazelwood School District Network (HSDNet) is to support excellence in education in and among academic institutions in the United States by providing access to unique resources and the opportunity for collaborative work. Students and staff will use HSDNet to locate information, communicate with other individuals, participate in distance learning activities, and locate materials to meet their information needs. HSD provides Internet access to teachers and students and connects computers in all district building to each other and the world.

Internet use by students will be monitored by teachers and staff who have been trained through Hazelwood School District staff development workshops on the appropriate use of the Internet. They are members of the HSDNet. Students will be instructed regarding laws, District rules and Network/Internet etiquette before beginning classroom assignments. Students will learn the fastest and easiest methods for locating appropriate and educationally valuable Internet information (and how to avoid inaccurate and inappropriate data). Special screening programs are being used by the Hazelwood School District to assist in the protection of students from inappropriate information. The information available on HSDNet is similar to computer software, books, videos, and other audiovisual resources and is subject to review by existing board approved Instructional Materials Center policy. Hazelwood School District and the system administrators do not condone the use of inappropriate materials and do not permit usage of such items in the school environment. The Hazelwood School District firmly believes that the valuable information and interaction available on this worldwide network far outweighs the possibility that users may procure material that is not consistent with the educational goals of the district.

HSDNet is an associate member of MOREnet (Missouri Research and Education Network) and is connected via a dedicated link at the University of Missouri, St. Louis. A connection to the national Service Foundation (NSFNET) Internet backbone is made via the University of Missouri, Columbia. Because HSDNet provides, through connection to MOREnet and NSFNET, access to other computer systems around the world, parent or guardians must specifically understand that the system administrators and the Hazelwood School District do not have total control of the content of information residing on these other systems. Parents or guardians are advised that some systems may contain defamatory, inaccurate, abusive, obscene, profane, sexually oriented, threatening, racially offensive, or illegal material that would be considered inappropriate for students to intentionally access. (NOTE: Home use of the Internet or e-mail, at this time, is not in any way connected to or the responsibility of the Hazelwood School District or HSDNet.)

Students, teachers and staff knowingly violating any laws or the Hazelwood School District rules related to Internet use in the school environment will be dealt with according to the discipline policies of the Hazelwood School District, and such activities may result in the termination of their privilege to use the HSDNet system.

(Revised: 4/4/12)
As a student, I will:

⇒ follow all the Hazelwood School District rules and classroom instructions regarding the use of the HSDNet.
⇒ seek the permission of a teacher or staff member before accessing HSDNet programs.
⇒ access only appropriate material that is relevant to the assignment.
⇒ consult the teacher for guidelines regarding telecommunicating and downloading.
⇒ use only school appropriate language when telecommunicating.
⇒ follow all teacher and staff instructions regarding the access/use of files (yours and others).
⇒ protect the integrity of the system and the files it contains from damage as the result of vandalism or viruses. This would include the protection of programs and files belonging to an individual, the Hazelwood School District, MORENet or NSFNET.

I understand and will abide by the above Internet Use Agreement. I further understand that any intentional violation of the regulations above is unethical and may constitute a criminal offense. Should I commit any violation, my access privileges to HSDNet may be suspended or revoked and school disciplinary action may be taken and/or appropriate legal action.

School district publicity could also include release of information to media.

Parents of students and students 18 years of age or older have the right to refuse the designation of the above information as directory information. If you DO NOT want the Hazelwood School District to disclose directory information from your education records without your prior written consent, you must notify us in writing. I understand that, under FERPA guidelines, Hazelwood School District may disclose basic information about a student that is generally not considered harmful or an invasion of privacy without the parent’s (or student’s, if 18) consent, which is released as “Directory Information.” The District allows parents who would like to opt out TWO choices – opting out only for information provided to military recruiters (high school only) or opting out for everything. INTRODUCTION

The Board of Education recognizes that acceptable behavior is essential to the development of responsible and self-disciplined citizens, and in promoting an effective instructional program in the District’s schools. Acceptable behavior is based on respect for one’s self, and for the worth and human dignity of others. The development of such behavior in students is a dual function of the home and school.

The behavior of students should reflect the high standards of good citizenship required in a democracy. To foster good conduct and to provide for safe and orderly schools, the Board of Education has adopted these guidelines for student behavior (Policy JG). When the guidelines are not met, it is our goal to provide appropriate interventions for the education of students to prevent repeated infractions. The guidelines apply to all students, although special procedures must be followed in regard to disciplining students with disabilities.

The Student Behavior Guide is based on the premise that expectations must be enforced fairly, firmly and consistently in a manner that is legal, equitable and just. Students are under the supervision of the school while on their way to and from school, bus stops, on the bus, on any district campus or in any district building, while attending or participating in any school function either at the home school or away, and while participating in field trips or other school-sponsored activities.

Professional judgment will be used by administrators to determine the consequences of specific incidents. Most types of school discipline issues are listed in this guide. However, it is impossible to list every issue that might interfere with smooth operations of the school. Administrators have the responsibility and authority to deal with all issues even though the specific issues might not be listed in this guide.

The Student Behavior Guide is distributed to all parents in August or upon enrollment. It is intended for parents to review this information with their children. In addition, a copy of the Student Behavior Guide is reviewed with students at the beginning of each trimester.

All employees of the District annually receive instruction related to the application of:

1. the Student Behavior Guide;
2. disciplining students with disabilities; and
3. instruction in the necessity and requirements for confidentiality.
DISCIPLINE REPORTING AND RECORDS

In compliance with state law, the Board of Education establishes explicit channels of communication between teachers, administrators, law enforcement officials and other schools concerning acts of violence and other behaviors that endanger the welfare or safety of students, staff and patrons of the district. The purpose of this policy is to designate specific actions committed by students that must be reported to teachers, administrators and/or law enforcement officials as well as those actions that must be documented in a student’s discipline record.

CONFIDENTIALITY (POLICY JGF)
Any information received by a school district employee relating to the conduct of a student shall be received in confidence and used to the limited purpose of assuring that good order and discipline is maintained in the schools.

OFF-CAMPUS BEHAVIOR
Behavior that occurs off campus that disrupts the academic process or threatens the safety of students and/or staff may be addressed as if the behavior occurred on campus.

REPORTING TO SCHOOL STAFF (POLICY JGF)
School administrators shall report acts of school violence to all teachers at the attendance areas in which the involved students are educated and to other school district employees with a need to know the information to adequately supervise the students and to protect themselves or others. In addition, any portion of a student’s individualized education program (IEP) that is related to demonstrated or potentially violent behavior shall be provided to any teachers and other district employees with a need to know the information.

The superintendent or designee will inform district employees with a need to know of any act committed or allegedly committed by a student in the district that is reported to the district by a juvenile officer or an employee of the Children's Division (CD) of the Department of Social Services, sheriff, chief of police or other appropriate law enforcement authority in accordance with state law. Such reports shall not be used as the sole basis for denying educational services to a student.

REPORTING TO LAW ENFORCEMENT OFFICIALS (POLICY JGF)
Any crime listed in this section, or any act that if committed by an adult would be a crime listed in this section that is committed on school property, on any school transportation or at any school activity must be reported immediately by the appropriate school administrator to the appropriate law enforcement agency. The following acts are subject to this reporting requirement:

Re-admittance or enrollment may be permitted when a pupil has been acquitted or adjudicated not to have committed any of the above acts. This section does not apply to a student with a disability who is convicted or adjudicated guilty as a result of an action related to the student’s disability. The District may, at the Superintendent or designee’s discretion, provide an alternative education program if he/she determines such enrollment is appropriate.

STUDENT DISCIPLINE RECORDS (POLICY JGF)
The Board of Education directs the superintendent or designee to compile and maintain records of any serious violation of the district’s discipline policy for each student enrolled in the District. Such records shall be made available to teachers and other school district employees with a need to know, and shall be provided in accordance with state law to any District in which the student subsequently attempts to enroll within five (5) business days of receiving the request. Personally identifiable student records will only be released or destroyed in accordance with state and federal law.
STUDENTS RECEIVING SPECIAL EDUCATION SERVICES (POLICY JGE)

Students currently receiving special education services will be disciplined in the same manner as other members of the student body except as noted on the student's Individual Education Program (IEP). For those students who are receiving services from the Special School District, a discipline hearing will be held first, followed by a Manifestation Determination to determine whether or not the violation is related to the student's disability. The hearing officer will then submit a detailed report of the hearing to the appropriate assistant superintendent and the superintendent.

The superintendent will then decide if any further disciplinary action will be taken. That decision could include the possibility of suspension for up to 180 school days or recommendation to the Board of Education for expulsion.

STUDENT BEHAVIORAL EXPECTATIONS

Every student, early childhood through twelfth grade, has the right to be educated in a safe, respectful and welcoming environment. Every educator has the right to teach in an atmosphere free from disruption and obstacles that impede learning. The school environment should be characterized by positive interpersonal relationships among students and between students and staff. To that end, the District has adopted and implemented a school wide Positive Behavioral Interventions and Supports (PBIS) program.

PBIS is based on research that indicates that the most effective discipline systems use proactive strategies designed to prevent discipline problems. Before consequences are given, students must first be supported in learning the skills necessary to enhance a positive school climate and avoid negative behavior. This research also shows that there is a strong link between a positive school climate and academic success for all students when students clearly understand behavioral expectations.

Each school will develop and annually revise a PBIS Plan that will include teaching positive school rules; implementing a social emotional skills development and enhancement program; positively reinforcing appropriate student behavior; using effective classroom management; providing early intervention and support strategies for misconduct; and appropriate use of logical and meaningful consequences including the use of restorative practices.

In conjunction with a school’s PBIS Plan, the Hazelwood School District’s Student Behavioral Expectations provide additional guidance to students, parent/guardians, teachers, and administrators regarding appropriate behavior. It is only with the understanding, collaboration and cooperation of everyone who has a stake in the education of our youth that we can succeed in creating learning environments that are conducive to optimum academic achievement for all students.
I. STUDENTS’ RIGHTS
The educational community is a part of a triad of stakeholders striving to ensure quality education for our children. Each stakeholder (students, staff, and parents) is equally important to meet this challenge. It is impossible to list all the rights and responsibilities of stakeholders. The rights and responsibilities apply to all students, although special procedures must be followed in regard to disciplining students with disabilities. The following rights shall not be construed to deny or limit others retained by students at school in their capacity as students or citizens.

A. Students have the right to:

- obtain a quality education in a safe, non-threatening environment.
- be respectfully treated as individuals with special needs and wants.
- have school records kept confidential.
- not be discriminated against in all classes and in all disciplinary matters.
- due process.

II. STUDENTS’ RESPONSIBILITIES
Students are expected to learn and model Hazelwood School District’s Student Behavioral Expectations, follow all school and classroom rules and demonstrate appropriate social skills when interacting with both adults and peers. When behavioral expectations are not met, the student is expected to work to improve behavior.

Students have the responsibility to respect and honor the rights of all persons involved in the educational community, to exercise the highest degree of self-discipline in observing and adhering to state and local laws, District and school policies and procedures, including Student Behavior Guide. It is impossible to list all student responsibilities, but it is emphasized that the lack of responsibility creates infringement on the rights of others.

A. Students:

- are responsible for their actions; therefore, they must accept consequences for their inappropriate behavior.
- have the responsibility to abide by the laws of the United States of America, the State of Missouri, and the policies of the Board of Education.
have the responsibility to abide by all of the administrative guidelines set by the school.

have the responsibility to abide by the guidelines developed within individual classrooms.

have the responsibility of conducting themselves in such a way as to benefit the class and the school.

have the responsibility of doing class assignments.

have the responsibility to respect all school staff as the authority within the school setting.

have the responsibility to notify school staff of any potentially dangerous situation(s).

III. PARENTS'/GUARDIANS’ RIGHTS AND RESPONSIBILITIES
Parents/guardians will take an active role in supporting the school’s efforts to maintain a welcoming school climate. Support the implementation of the school’s PBIS Plan.

A. Parents have the right to:

- expect a quality education for their children.

- expect that their children will be treated according to the district governing principles listed on page iii.

- receive information about the progress of their children unless prohibited by a court order.

- review their children’s school records unless prohibited by a court order.

- participate in decisions involving their children’s education and be informed of decisions relating to discipline of their children unless prohibited by a court order.

B. Parents have the responsibility to:

- maintain open lines of communication with their children, teachers and the educational support staff and be available to assist as needed.

- support the efforts of classroom teachers and the educational support staff in maintaining appropriate student behavior.

- monitor and promote the academic progress of their children.
• make sure that their children attend school regularly.

• inform school staff about factors which will affect their children’s ability to learn/behave in the school environment.

• read and understand the Student Behavior Guide.

IV. SCHOOL STAFF RIGHTS AND RESPONSIBILITIES

Each school staff member has a fundamental role in supporting a positive classroom and school. This includes utilizing effective classroom management strategies to create an environment conducive to learning and prevent misconduct:

A. School staff have the right to:

• work in a safe, non-threatening atmosphere conducive to learning.

• expect that students will follow the guidelines of the school.

• expect that students will maintain regular attendance and report to class on time with homework completed.

• be treated respectfully by students and parents.

• expect cooperation, support and communication from parents unless prohibited by a court order.

B. School staff have the responsibility to:

• provide a quality education for all students.

• inspire in each of their students a need to achieve up to his/her individual potential.

• maintain a record of intervention strategies utilized with individual students.

• establish and coordinate a building behavior management plan that is positive, consistent and effective.

• regularly communicate classroom policies to students and parents.

• practice fair, effective behavior management techniques.

• be impartial when dealing with the parents and students in their school.
• report any suspected child abuse or neglect to the Missouri Children’s Division through the building procedures. School staffs are “mandated reporters” under Missouri laws pertaining to child abuse or neglect.

C. Each school administrator is a role model and a leader. School administrators, in collaboration with instructional staff and community support, are responsible for establishing a caring school climate and safe environment:

• assist staff members in the practice of effective management techniques.

• plan and promote practices that will maintain a safe and orderly environment.

• support the efforts of staff in maintaining appropriate classroom student behavior.

• plan and maintain adequate supervision of students.

• communicate to appropriate staff the consequences of reported student inappropriate behavior.

• be visible during the school day.

• maintain accurate records of disciplinary actions.
WHEN DO HAZELWOOD’S GUIDELINES BEGIN AND END?

Students who ride the bus or walk to school are under the supervision of the school while on their way to and from school, at bus stops, on the bus, on any District campus or in any District building, while attending or participating in any school function either at the home school or away, and while participating in field trips or other school sponsored activities.

Behavior that occurs off campus that disrupts the academic process or threatens the safety of students and/or staff may be addressed as if the behavior occurred on campus.

DISCIPLINE PROCEDURES AND DUE PROCESS

When a student is suspected of behaviors that are violations of the Student Behavior Guide, the following process will be initiated:

- An investigation will be initiated to discover all pertinent factors relating to the occurrence. The investigation process will include the collection of information from the student(s) involved, school staff, and as many witnesses to the occurrence as possible. The principal or his/her designee will conduct this investigation.

- The student shall be advised of the specific charges and explanation of the known facts.

- The student shall be given the opportunity to admit or deny the charges and to present his/her version of the incident.

- If the student denies the charges, he/she shall be provided an explanation of the incident that forms the basis of the proposed disciplinary action. In such cases, the administration will get statements from as many witnesses to the occurrence as possible.

- The student and his/her parent/guardian will be informed of the specific violation and an explanation of the known facts.

- After the investigation has been concluded, the parents must be informed by telephone, letter, email, or note prior to the date the student is expected to serve the consequence. At this time, the parent will be also be notified if the school is recommending a discipline hearing.

- The student and his/her parent/guardian can access the student’s disciplinary event and full disciplinary record through the SIS parent portal. They may also request a copy of the student’s disciplinary record from the school. Only in an emergency will a principal detain a student without parental notification.
• A student may be removed from school immediately at the discretion of the principal, assistant superintendent, or superintendent if the student poses a threat of harm to other students or staff.

• If there is a violation of the law, the School Resource Officer (SRO) or police shall be notified. The parent/guardian and Assistant Superintendent shall be notified accordingly.

• If a disciplinary hearing has been requested, the discipline hearing officer will schedule a discipline hearing (DH) and make a recommendation for additional suspension days up to 180 school days or expulsion. The purpose of the discipline hearing is to verify the facts and provide the student and parents/guardians with an opportunity to present additional data or extenuating circumstances. The hearing officer will determine if additional days of suspension are warranted.

• If the parent has questions regarding a decision or the appeal process of a suspension of more than 10 days, they may contact the deputy superintendent.

• Additional due process measures shall be taken as required by law with respect to students with disabilities.

• Parents/guardians shall be required to participate in a conference with teachers and/or administrator or administrator’s designee prior to a student’s return to school following a suspension for greater than ten (10) days or at the principal’s discretion after suspensions for ten (10) days or less.

• Student discipline records are a part of the student’s file and will be shared with the receiving school when a student transfers.
EXPLANATION OF TERMS

Parents, students, teachers and administrators have the right to expect that schools will provide an atmosphere that is safe, cooperative, respectful and, therefore, conducive to learning. Board of Education Policies are located on our website at www.hazelwoods schools.org.

In this document, the assignment of detention will be either before or after school for elementary students. The assignment of detention will be either after school or on Saturday mornings for middle and high school students. The assignment of a suspension could be “in-school” or “out-of-school” except where specified. All references to the number of suspension days in the Student Behavior Guide will specifically be school days. For example: (a 10 day suspension means 10 school days, not calendar days.) NOTE: Students are not to be on any district campus or attend any district-sponsored event while on suspension.

When the Behavior Guide refers to the number of occurrences, the District considers the number of occurrences that happen in the same school year. (For example, if a student was in a fight in 6th grade and again in 8th grade, the second fight would be a first occurrence of the student’s 8th grade year). It should be noted that repeated discipline infractions within a school year would result in more severe disciplinary action being taken when appropriate. This might include a suspension, discipline hearing (parent notification), or expulsion.

ACT OF SCHOOL VIOLENCE/VIOLENT BEHAVIOR

Act of school violence or violent behavior is defined as the exertion of physical force by a student with the intent to do serious physical injury to another person, while on school property, including while on school transportation in service on behalf of the district, or while involved in school activities.

ALTERNATIVE SUPPORT CENTER (ASC) – This full-day program is for middle school students on long-term suspension for non-violent infractions and students who are self-referred by parents. Self-referred students are those who are experiencing difficulties at their school and the family requests a change of placement to help them move forward. Limited spaces are available for self-referred students. Students will also receive individual and group counseling while attending. The program is located at the Hazelwood Opportunity Center. Limited district provided transportation is available.

APPEAL

An appeal is defined as a formal request to a higher authority for a change in or confirmation of a previous decision.

- BUILDING LEVEL

If a parent or student would like to discuss any discipline action, the appeal process begins with the building principal or his/her designee. Detentions, in-school and/or out-of-school suspensions up to 10 school days cannot be appealed beyond the building principal.
• **DISTRICT LEVEL**

  If an out-of-school suspension exceeds 10 days, the student and/or his parent/guardian may appeal the suspension to the assistant superintendent.

Check-in Check-out is defined as a process where a student checks in with a staff member at the beginning of the school day to receive support and they check back with that staff member at the end of the day to share how their day went. This process is documented by the staff member and shared with the parent as needed.

**CONFLICT MEDIATION (PEER AND/OR ADULT DIRECTED)**

Mediation is defined as a meeting between two parties to address an area of concern with the outcome being that each will understand the other’s perspective and make better choices moving forward. This may be facilitated by a staff member or a student peer leader.

Corporal punishment is defined as the use of physical punishment as a consequence of misconduct. No person employed by or volunteering on behalf of the Hazelwood School District shall administer or cause to be administered corporal punishment upon a student attending District schools.

A staff member may, however, use reasonable physical force to restrain a student if it is essential for the preservation of order or for the protection of self, other persons or the property of the school district. The appropriate administrator will be notified immediately.

POSITIVE CHOICE PROGRAM (PC) – This program is for middle and high school students on long-term suspension for more serious and/or violent infractions. The program is located at the Hazelwood Opportunity Center. Limited district provided transportation is available.

REFERRAL TO AN OUTSIDE AGENCY

ROLE-PLAY
Role-play is defined as an activity where a staff member helps students to understand a situation which they were involved in from a different perspective. This may result in the student taking on the role of another student to help them gain a better understanding of the choices that were made.
SAFE TOUCH/SAFE-T/SAFE TEEN TRAINING
Safe Touch, Safe-T and Safe Teen are programs taught to students about appropriate and inappropriate touching and who to contact if they are touched inappropriately. This program is provided by the Jewish Family and Children’s Service.

SUSPENSION AND REMOVAL (POLICY JGD)
The terms “suspension” and/or “removal” is defined as exclusion from school that will not exceed a specific period of time and shall be subject to the due process procedures set forth for “suspensions” in this policy. Suspension may be in-school or out-of-school. Regarding in-school suspension, the student is deprived of attending regular classes, participating in co-curricular activities or school-sponsored functions whether on campus or at another facility for the determined number of days, but the student is expected to attend school, report to the in-school suspension room, complete assignments and behave appropriately. Regarding out-of-school suspension, the student is deprived of all the privileges of attending school, participating in classes, participating in or attending any co-curricular activities or school sponsored functions whether on campus or at another facility for a determined number of days up to and including 180 school days. Students who have been suspended may not be on any school district property or attend any Hazelwood function whether on campus or off campus during the period of the suspension unless authorized to do so by the superintendent or principal.

The term “expulsion” is defined as exclusion for an infinite period. Procedures that should be followed to suspend a student differ from those that are required to expel a student. A principal may suspend a student for up to ten (10) school days. A superintendent may suspend a student for up to one hundred eighty (180) school days. The Board of Education may expel a student.

Any student suspended after the third occurrence shall be strongly encouraged to attend a family meeting with a District social worker, counselor and administrator prior to being readmitted.

Additional procedures for discipline for students with disabilities are sometimes required, as discussed in policy JGE, Discipline of Students with Disabilities. The District honors suspensions and expulsions from another in-state or out-of-state school district including a private, charter or parochial school or school district pursuant to law and policy JEC.

STUDENT BEHAVIOR GUIDE OFFENSES, CONSEQUENCES, INTERVENTIONS AND SUPPORTS

(THE EXPECTATIONS FOR STUDENT BEHAVIOR IS ADDRESSED IN HAZELWOOD SCHOOL DISTRICT POLICY JG)

LEVEL SYSTEM OF CONSEQUENCES
When a student fails to comply with the expectations of the Student Behavior Guide, it may be necessary to assign appropriate consequences. All consequences are organized under a level system based on their severity. Below are the consequences which may be assigned to students and are placed in levels based on their severity.

LEVEL 1 - Written Warning, Confiscation of Item, Immediate Modifications to Behavior and/or Dress as required, Loss of Privileges, Restitution, Assignments to reinforce positive behavior, or Detention.

LEVEL 2 - Detention, Loss of Privileges, Suspension from 1 to 10 Days (In-School, Out-of-School or off of School Bus) Discipline Hearing up to 180 days Out-of-School Suspension, or possible expulsion and/or Police Notification as required by law.

LEVEL 3 - 10 days Out-of-School Suspension and/or a Discipline Hearing up to 180 days Out-of-School Suspension, or possible expulsion and/or Police Notification as required by law.

INTERVENTIONS AND SUPPORTS
When a student fails to comply with the expectations of the Student Behavior Guide, interventions and supports may be provided to assist them in understanding the consequences of their choices and to learn the needed steps to make better choices in the future. Several of these interventions are provided for each offense listed although others may be implemented.

RESTORATIVE PRACTICES
The Hazelwood School District is committed to providing a restorative approach to discipline whenever appropriate. A restorative approach builds healthy relationships between educators and students. It reduces, prevents, and improves harmful behavior, while repairing harm and restoring positive relationship. This approach resolves conflict, holds individuals and groups accountable and addresses and discusses the needs of the school community to prevent the behavior again. A restorative approach can include affective questioning, conflict resolution, problem-solving circles or class meetings and formal restorative conferences. A restorative approach believes that it is important to problem solve, resolve conflicts and build stronger relationships.
A student may receive a higher level of consequence depending on the frequency and/or severity of the offense.

The consequences and interventions are not meant to be used in sequential order. They are to be used as a guide. Consequences and interventions should be assigned to individual students based on many factors, including age, grade level, student’s prior experiences and situation.

Theft is defined as the unauthorized acceptance, possession, purchase, taking, and/or transfer of property belonging to another. Any student finding an item (e.g., books, clothing, electronic devices, locks, purses, etc.) on school property is expected to turn the item in to the office immediately. If a student fails to do so, it may be considered theft. Offenders are subject to disciplinary consequences, police notification, as required by law when deemed appropriate, legal prosecution, and restitution.

The school district is not responsible for damaged or stolen personal property.

A weapon is defined to mean one or more of the following:

2. A blackjack, bullets, concealable firearm, explosive weapon, firearm, firearm silencer, gas gun, knife, knuckles, mace, machine gun, pepper spray, poison, projectile weapon, rifle, rifle cartridges, shot gun, shot gun shells, spring gun, switchblade knife, and other items, as these terms are defined in 571.010, RSMo.
3. A dangerous weapon as defined in 18 U.S.C. 930 (g) (2).
4. An instrument or device used to threaten or assault, whether for attack or defense.
5. Any object designed to look like or imitate a device as described in 1-4.

The possession, displaying, handling, brandishing, use or attempted use of a weapon by a student is prohibited on or in all school facilities and at all school activities whether they are on district property or not.

Students in possession of a weapon are subject to disciplinary consequences, police notification, as required by law, and charges if warranted. Students are not to bring any type of weapon to school, real, imitation or toys. It is essential that every student and every parent understand that anyone who violates the weapon policy should expect the most severe consequence.

When an item (such as a tennis racket or scissors) is used or displayed as a potential weapon against another person, the weapon policy will be enforced. In accordance with federal law, and the Safe Schools Act, any student who possesses a firearm (as defined in 18 U.S.C. 921) in a school building, on school property, on a school bus or at a school function will be suspended from school for a minimum of one calendar year. In most occurrences, students who unintentionally bring an object that could be considered a weapon (like those mentioned above) may leave the item with an administrator immediately upon entering the building with no penalty incurred.

EXPECTATIONS FOR BUS RIDERS GRADES K-12

Students are important in keeping the bus on schedule and promoting maximum safety conditions to and from school. Arrive 10 minutes before your assigned time and be ready to board the bus in an orderly manner as soon as the bus arrives. Be careful when you are approaching the bus stop; use sidewalks when available. For your protection, as well as for others – stay out of the street.

When boarding the bus, go as far to the rear of the bus as possible unless you have an assigned seat. Make sure you are seated fully on the seat your back to the back of the seat. You will be expected to obey the bus driver.

Avoid loud talking, loud laughing, AND unnecessary conversation with the bus driver. Keep your head, arms, hands, etc., inside the bus at all times. Do not yell at passersby. Obscenities and profanity will not be tolerated.

Smoking is prohibited. In case of violations of this expectation, the discipline policy regarding smoking will be administered – including the loss of bus riding privileges.

If the bus has an emergency, mechanical trouble, or is delayed on the road, remain seated until the driver gives you instructions. If you are waiting for a bus to arrive, please wait until your regular bus or a relief bus arrives or ten minutes past your stop time before calling Transportation.

Students are not permitted to sit in the driver’s seat, operate the stop arms, sit on the heater box, or stand in the aisle in front of the first row of seats. Eating, drinking, and cell phones are prohibited on the bus. Radios and animals shall not be transported on the bus. No skateboards, no basketballs, footballs, etc., are allowed. No band instruments larger than you can hold in your lap are allowed.

Fighting, wrestling, pushing, shoving, “roughhousing or horseplay” of any kind are prohibited on the bus or at the waiting area. Students who throw snowballs, rocks, or other objects at or from the bus will be disciplined or reported to the administration or law enforcement agency.
HAZELWOOD SCHOOL DISTRICT
EXPECTATIONS FOR BUS RIDERS GRADES K-12
(Continued)

When it is necessary to cross the street after getting off the bus, the driver will protect your crossing with the stoplight and stop arm. Students are to cross in front of the bus under the driver’s supervision. This may also apply in instances where pupils wait for the bus on the opposite side of the street.

Students may only leave and board the bus at their regular stops and at school. Permission to deviate from this is upon the principal’s approval with a note from the parent/guardian. You are to ride the bus to which you are assigned. No one is allowed to board a bus except those assigned.

The emergency door is for use only in an emergency.

The purpose of the student’s I.D. is to ensure pupil identification, prevent riding the incorrect bus, and provide control of pupil conduct. If a student does not have an I.D. in the morning when they are attempting to get on the bus, the bus driver may allow them on the bus if they recognize the student as a regular rider. If the driver does not recognize the student, the driver will call the transportation office and get identifying information to attempt to identify the student. If the driver cannot identify the student, security will be called and the bus will not leave the student until security is on the scene. In all these instances, the student will be reported to the office for failure to have an I.D. If in the driver’s opinion, the student is not behaving according to bus expectations, the driver will request the student’s I.D. to record the student’s name.

Students causing damage to the seats or any other part of the bus will be subject to disciplinary consequences – including reimbursement to the school district for the damages.

Consequences are determined by the principal, depending on the severity and other circumstances. Consequences may include removal from the bus and/or other disciplinary actions as defined in The Student Behavior Guide.

ACTION BY A STUDENT OR OTHERS HARMFUL TO STUDENTS AND/OR DRIVER OR ACTIONS BY A STUDENT OR OTHERS WHICH CAUSES DAMAGE TO SCHOOL PROPERTY IS SUBJECT TO MAXIMUM CONSEQUENCE AUTHORIZED BY THE BOARD OF EDUCATION AND ALSO SUBJECT TO APPROPRIATE ACTION BY THE LOCAL LAW ENFORCEMENT AGENCY.
