Students are distributed into one of three groups:

1. Car riders- car riders report to the appropriate classroom
2. Bus riders- bus riders report the hallway outside of the cafeteria
3. Walkers- walkers report to the gym

3:50 Bell rings, bus riders and walkers will report to the gym. Walkers are organized by route home*. A staff member will take the students out of the building and start them on their way home. We ask that all students crossing the street do so at the stoplight and that all siblings picking students to walk home wait in the appropriate areas.

3:55 Car riders exit the building, stand with their families in their respective areas to be escorted to their vehicle. Cars are to park in one of the 3 lanes. Staff fills the 1st six cars and then they are dismissed by the person directing traffic. Due to safety concerns we ask that parents in the car rider line please stay in their cars. A staff member will deliver your child to your car. Cars entering the parking lot after 3:50 PM must go through the car rider line.

*In order to ensure the safety of our students who are walkers, the staff organizes them into groups based on the direction they walk home and then they walk them into the neighborhoods. Students are organized into 5 groups:
