

GALACTIC BOOSTER CLUB DONATION LETTER

GALACTIC Booster Club has decided to send a request for donations this year to achieve our fundraising goals in lieu of sending home various fundraisers throughout the year to support our gifted program. The booster club supports students and staff by funding activities, competitions, guest speakers, playground equipment, technology, and so much more! Our primary goal this year is to renovate the playground. We will be making additions as soon as we reach our goal!

A donation to our program alleviates the burden of selling, collecting money, and distributing items purchased. It also allows the program 100% profit versus profit sharing with a fundraising company. Thank you in advance for your support and consideration!

____\$15 I do not want to bake, so here is a donation for the supplies I would have purchased to send in cookies or cupcakes.

____\$25 I do not want to bother my friends, family, and co-workers, so here is a donation for calendars, wrapping paper, and what not.

____\$50 I do not want to read, walk, or run in an activity that has the word "THON" in it, so here is a donation that would have been spent for my child to earn a "free" tee shirt.

____\$75 I do not want to attend a ball or other special function, so here is a donation in lieu of a new outfit.

____\$100 I have no intentions of volunteering in any way before, during, or after school, so here is my donation to forget my name.

____ \$any amount\$ I am merely making a donation to express my appreciation to have nothing to buy, sell, or do - besides fill out this form.
