May 10, 2017

Dear Hazelwood School District Community:

Please join me in wishing our nurses a Happy School Nurses Day!

Since 1972, the National Association of School Nurses, has set aside the second Wednesday in May to recognize school nurses. National School Nurse Day was established to foster a better understanding of the role of school nurses in the educational setting.

Thank you for the service that you provide each and every day to maintain the health and wellness of our students and staff. Your care and tireless work help to ensure that learning can take place in a healthy environment.

I appreciate everything that our nurses do for our students and staff.

On behalf of our 18,224 students, the Board of Education, and the entire Hazelwood School District family, thank you, and once again, Happy School Nurses Day!

Sincerely,

Dr. Nettie Collins-Hart
Superintendent of Schools
