

Due to COVID-19, related safety and health requirements, and unknown information around when stay-at-home orders will be lifted for schools, we have revised our Summer School programming this year.

Below is information about our high school summer school program. If you have specific questions about your child and your child is already enrolled, please contact the summer school site coordinator assigned to your child or your child's building principal.

High Schools

High schools will have three sessions for summer school. All sessions are free to Hazelwood School District students and students who reside within the district.

Sessions 1 and 2 will utilize an online learning platform developed by Edgenuity. All of the Edgenuity classes are aligned to Missouri Learning Standards. **High school summer school school courses are not NCAA approved.**

Session 3 (Jump into Learning) will provide an opportunity for students to bridge the learning gap from the school closures to help students prior to the 2020-2021 school year. *Jump into Learning* will primarily utilize digital learning created by Hazelwood teachers. Students will focus on learning standards necessary for success at the next grade level. Students participating in *Jump Into Learning* should expect to participate in and complete online learning activities 3 hours per day, Monday through Friday, 8:00am - 11:00am.

High School Summer School Sessions (students can enroll for one or more sessions):

- **Session 1**
 - Dates: Monday - Friday, June 3-30, 2020

Session 3 Courses:

Jump into Learning will primarily utilize digital learning created by Hazelwood teachers. Students will focus on learning standards in English Language Arts, Math, Science, or Social Studies that are necessary for success at the next grade level. Students participating in *Jump Into Learning* should expect to participate in and complete online learning activities 3 hours per day, Monday through Friday, 8:00am - 11:00am.
