International Student Association

Day Club Meets: Monday's

Time: 2:30-4:45

Location: Room 230

Sponsor: Ms. Lawson

Email: slawson@hazelwoodschoools.org

Within ISA, students will create important discourse within our school about challenges faced by immigrants as well as cultivate ideas to make our school a more culturally accepting space. Not only would students have a community of peers that understand their issues, they would also be present in a community to learn about other cultures. As we learn about other cultures within the school, we conduct projects and events that allow for students and not only club members to be more culturally aware as well. This club would be student-led with a sponsor present who will facilitate our needs.

Members of Key Club will perform acts of service in the community and the building, such as cleaning up around the building and organizing food drives. They also learn leadership skills by running meetings, planning projects and holding elected leadership positions at the club, district and international levels.

National Honor Society

Day Club Meets:

Time: 2:30-4:45

Location: Library

Sponsor: Mrs. Christy Lewis

Email: clewis3@hazelwoodschoools.org

The National Honor Society (NHS) is the nation's premier organization established to recognize outstanding high school students. More than just an honor roll, NHS serves to recognize those students who have demonstrated excellence in the areas of scholarship, service, leadership, and character. Students must be in the 10th, 11th, or

12th grades in order to participate and must have a minimum cumulative grade point average of 3.5 on a 4.0 scale.

Membership requires not only a high GPA, but also involvement in school and community activities. These include, but are not limited to activities such as school clubs, sports, band, etc. Each student must be involved in at least three activities within the calendar year prior to selection into NHS. These activities may be a combination of in-school or out-of-school. To become a member of NHS, there is an application process. You will have to complete the packet and return it before the deadline. **NO PACKETS WILL BE ACCEPTED AFTER THE DEADLINE!** The Faculty Council will review your application forms and applicants are chosen on the basis of scholarship, leadership, character and service. Membership is by application and faculty committee approval **ONLY**.

There will be an informational meeting to join the National Honor Society in late November and forms will be due in mid-December.

Contact clewis3@hazelwoodschoools.org with any questions.

TSA is open to anyone that is a student enrolled in a PLTW class or anyone interested in pursuing a career in the engineering field. Benefits of TSA membership is the inspiration and enthusiasm that students gain from receiving recognition for applying their knowledge. Demonstrating skills in a forum beyond school walls motivates students, especially when there is a large, like-minded audience of peers who support them. Other benefits include:

- Enhance technological literacy and leadership skills
- Work on complex activities from start to finish
- Compete on local, state and national levels
- Develop skills through TSA's leadership program, LEAP
- Meet and work with business and industry leaders
- Attend organized meetings
- Network with students and teachers with similar interests from all over the United States
- Contribute time and effort to a national service project
- Receive national membership services, including the online TSA newsletter, School Scene
- Receive recognition through TSA's honor society, scholarships and achievement programs
- Have a voice in a national organization that helps shape the future of technology education
