

Tyler SIS Parent Portal

Enhance your connection between your children and their education.

To begin using the Parent Portal, simply follow these steps:

1. Fill out the Parent Portal Registration form and return it to the school.
2. Your password will be emailed to the address you provided on the registration form. In this email, you will be given your own unique username and password. At this time you will be able to view schedules, attendance, discipline, course schedule, and course requests. To access the portal:
3. Go to our Website, <http://hsdportal.hazelwood.k12.mo.us/>
4. Click Students/Parents on the navigation bar.
5. Click Parent Portal.
6. Click SIS Parent Portal Access.
7. Click on the “**Parents**” tab. Enter your unique username and password, and then click “**Logon**”. You must be on the Parents tab in order for your login to work.

If you have problems or questions about accessing the site, please contact the school where your child is enrolled or the HSD Helpdesk (314.953.5199).

Once you have successfully logged on, use the menu bar at the top to select your child and the area that you would like to view.

NOTE:

- If your email address changes, be sure to contact the school and let them know so your contact info can be updated.
- As part of the security procedures, the **ONLY** way to receive your password is by email. The school office cannot give it to you because they do not have access to your password.

If you forget your password, click the *Forgot your password?* link, enter your email address, and your password will be emailed to you.

The parent portal can be used with the recent versions of modern browsers

- PC with IE 9-11, Firefox, Chrome, or Edge with Windows 10.
- On Windows XP, use Firefox or Chrome.
- Mac with Safari, Firefox, or Chrome
- Android tablets with Chrome
- iOS with Safari

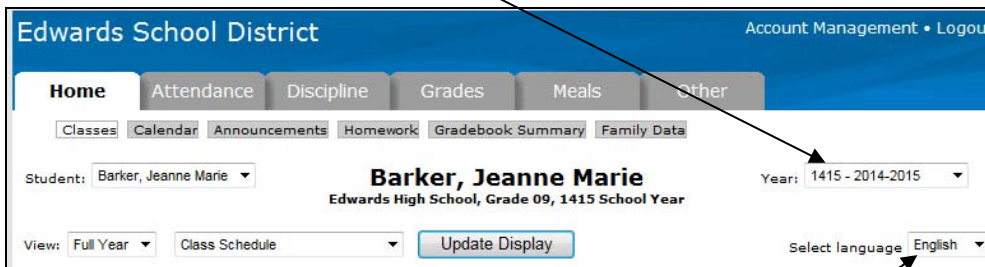

For PC and Mac, the screen resolution must be set to at least 800x600.

Once inside the Portal, you will have access to several different areas of information for each child you have enrolled in the district. Each of these areas is explained below. **(Some areas and options may not be available for the Hazelwood School district.)**

If you have more than one child enrolled, select which child's information you wish to view by selecting from the Student dropdown list at the top of the page.

Normally you will want to view information for the current school year, but if you have a need to view information from a previous school year, use the Year dropdown list.

If preferred, the Portal can be displayed in Spanish. Use the Select Language dropdown to select Español. This will translate the fixed text in tabs, buttons, and column headings. Note: Data entered by teachers and administrators will not be translated.

On any of the pages, if a teacher's name is underlined, it means an email address is available for that teacher. Clicking the name will let you send an email to them.

Note: Dep = Department – Used for curriculum and internal reporting.

Calendar

The calendar allows for the viewing of homework assignments, absences and tardies, and discipline incidents for your students. Check the All Students box to see the data for all students or leave it unchecked and switch between students by using the Change Students link in the upper left corner. Holding the mouse over the icons on the calendar will display details for that item. NOTE: The default selections for what to display on the calendar can be set on the Account Management page.

Special Additional Attendance

If the district tracks and reports attendance that occurs outside the normal school day, it will be displayed on this page.

Attendance Steps

Districts have the ability to designate a point value for each absence (e.g. excused absences might count as five points, excused absences count as one point, etc.) These points are then totaled and letters are mailed to the parents of students who have more than a certain number of points. Contact the district for details about their Attendance Step policy.

Discipline Tab

If the student has had any discipline incidents, they will be displayed on this page.
