To the Hazelwood School District Community:

The Board and administration recognize that the closure of Jana Elementary and the subsequent redistricting of students and reassignment of staff to other district schools has not been an easy transition.

However, there is no expectation that Jana Elementary will reopen, and students and staff will remain at their current schools. At the same time, we are encouraged by the resilience our Hazelwood School District community has shown throughout this season of change and uncertainty. As we look to the future, we are committed to supporting all of our students and staff in fully embracing their new school communities.
