

Mission and Goals

MISSION:

In a culture of high expectations and excellence, our students will become lifelong learners equipped with 21st century skills for success as global citizens.

GOALS:

1. Improve Student Achievement
2. Differentiate and Expand Resources and Services for Students
3. Enhance Professional Growth
4. Maintain Fiscal Responsibility
5. Increase Parent and Community Involvement

THE HAZELWOOD NOW STRATEGIC PLAN:

The five-year Hazelwood *NOW* Strategic Plan is a comprehensive roadmap that guides the acquisition and allocation of resources to achieve mutually-agreed upon strategic priorities. The plan is a tool that provides direction for how we will achieve our mission, vision, values, and goals. We have purposefully built the strategic plan on our unique Hazelwood legacy, while providing an inspired direction for the future. Our Hazelwood *NOW* initiatives include *New* and Innovative Programs, *Options* and Opportunities, and *Working Together* to Build Coalitions and Capacity.

BACKGROUND:

The Hazelwood School District has 2,200 faculty and staff who serve 18,000 students representative of over 60 countries and nearly 40 languages. Last year, students received over \$33.3M in scholarships and volunteered more than 130,000 community service hours. The district has twenty elementary schools, six middle schools, three high schools, three early childhood education centers, and one alternative school. The district's boundaries include all or part of the following communities: Hazelwood, Bellefontaine Neighbors, Black Jack, Dellwood, Ferguson, Florissant, Spanish Lake, and unincorporated St. Louis County.

PURPOSE:

Hazelwood School District is conducting a survey to gather feedback about the district's performance related to the goals identified in the Hazelwood NOW Strategic Plan. We will use the feedback received to ensure that the district is meeting the needs of students, parents, staff, and community members.

We have partnered with Hanover Research to collect and analyze responses. Hanover Research is an independent education research firm based in Washington, D.C., and is in no way affiliated with any other entity or organization.

Your feedback is essential to the district. Your responses will remain strictly confidential, and all data will be stored securely on Hanover's private servers. No information that could be used to identify specific individuals will be reported or released.
