Google Classroom: We are using Google Classroom as our main source of communication. We have daily lessons, assignments, and work sharing in our Google Classrooms. If you have not yet logged into Google Classroom, please do so this week. Logging into Google Classroom requires your child's student id. Please reach out if you need that information!

NEW! K-1 Work Submission Policy: Kindergarten and first grade students are required to complete and submit work during the remote learning period of the fourth quarter. The following information outlines the procedure for collecting and maintaining academic records during this time.

Students & Parents will:

- Log onto their teacher's Google Classroom daily

- Submit designated workbook pages according to the "Work to be Submitted" slide on Fridays by uploading photos. If you are unable to upload photos, turn in workbooks and all work completed to your teacher in the Fall.

- THIS WILL CONSTITUTE THE WORK REQUIRED FROM EACH STUDENT

NEW! A Note from Special Areas:

Parents, so that students may submit videos or turn in work, Special area teachers created a Google Classroom and calendar for the remaining month of school. Please go to <https://classroom.google.com> click the plus button in the upper right hand corner and join class. The classroom code is **mr56dis**. From there you may submit work. We can see it and make comments. We would love to see your projects, singalongs, or exercise activities. If you do not wish to join the classroom, the calendar will still be available on the schools' website. You may also continue to reach out to all 5 of us through email, we'd love to hear from you!
