## **PHILOSOPHY**

We believe that interscholastic activities shall supplement the secondary curricular program, and as such become a vital part of a student's total educational experience. These experiences contribute to the development of learning skills and emotional patterns that enable the student to make maximum use of their education.

Student participation in activities is a privilege, not a right. This privilege carries with it responsibilities to the school, to the activity, to the student body, to the community and to the students themselves. Participation will help to develop the student physically, mentally, socially and emotionally.

## **MISSION**

We believe the mission of Hazelwood Central High School's extracurricular program is to provide opportunities and experiences for all students to develop the following skills:

- Respect for self and others
- Ability to take positive risks
- Appreciation of one's talents and weaknesses
- Recognition of the value of physical, academic, and aesthetic pursuits
- Realization of the importance of life skills
- Awareness of the diversity in one's own and others' cultural backgrounds
- Understanding of teamwork and sharing of common goals which contribute to the good of the whole

We also believe that by the student's involvement in activities, they will build the self-worth and integrity necessary to be able to cope with future successes and failures. To meet this end, the student must have also gained the qualities of realistic goal setting, of positive interdependence, and of moral judgment.

Activities in our program create an avenue of enrichment, entertainment, and proud association for parents/guardians and community. Through well-directed activities, we strive to enable students to contribute responsibly and ethically within society, now and in the future.

## **ORGANIZATION AND ADMINISTRATION**

### **National Federation of State High School Associations ([www.nfhs.org](http://www.nfhs.org))**

The active members of the National Federation of State High School Associations are the 50 state high school athletic/activity associations, plus the District of Columbia. There also are affiliate athletic/activity members, including associations in the U.S. territories, Canada and other neighboring countries.

### **Missouri State High School Activities Association (MSHSAA) ([www.mshsaa.org](http://www.mshsaa.org))**

Hazelwood Central High School is a proud member of the MSHSAA. The purpose of this organization is to promote, develop, direct, protect, and regulate amateur interscholastic athletic relationships between member schools and to stimulate fair play, friendly rivalry, and good sportsmanship among contestants, schools, and communities throughout the state.

### **Superintendent of Schools**

The executive function is the responsibility of the Superintendent of Schools, who establishes the ways and means of executing efficiently all policies adopted by the Board of Education.

The Superintendent of Schools recommends to the Board of Education the appointment of all personnel who are given any responsibility for handling interscholastic activities and they approve all policies and procedures recommended by their staff. The Superintendent of Schools is directly responsible to the Board of Education for the successful performance of the organization.

### **School Principal**

The school principal is the administrative head of interscholastic athletic activities, as well as all other activities of the school. As the administrative leader of the school, they are directly responsible to the Superintendent of Schools, and to MSHSAA.

Supervision of athletic contests is a cooperative matter among the principals, assistant principals, activities/athletic director, and/or designated supervisors.

### **Activities/Athletic Director**

Under the supervision of the principal, the activities/athletic director plans, coordinates, promotes, and supervises the total activities program for the school.

### **SPORTSMANSHIP**

The following policy statement from the **National Federation of State High School Associations** expresses the concept of sportsmanship as follows:

"The ideals of good sportsmanship, ethical behavior, and integrity permeate our culture. The values of good citizenship and high behavioral standards apply equally to all activity disciplines. In perception and practice, good sportsmanship shall be defined as those qualities of behavior which are characterized by generosity and genuine concern for others. Further, awareness is expected of the impact of an individual's influence on the behavior of others. Good sportsmanship is viewed as a concrete measure of the understanding and commitment to fair play, ethical behavior and integrity."

One of the main goals of the activities/athletic program is to teach the concept of sportsmanship. Good sportsmanship requires that everyone be treated with respect. This includes members of the opposing team, officials, coaches, and spectators.

Good sportsmanship includes showing courtesy and kindness toward your opponent as well as fellow team members. The contest is judged by the effort of the participants and not by putting down your opponent.

Winning is exciting, but winning at any cost is not the goal. Negative treatment of any participant is outside the spirit and interest of the contest.

All MSHSAA sanctioned events are a reflection of our community and school. The conduct of the team is extended to parents/guardians and fans before, during, and after events.

### **Hazelwood Central High School SPORTSMANSHIP FUNDAMENTALS**

High school athletes who perform as members of opposing teams are friendly rivals. The visiting team in every interscholastic game is a guest of the home team. They are expected to be regarded and treated as guests.

The officials are individuals who, by agreement between the competing teams, are assigned to administer the rules of the game. Their experience and integrity qualify them for their part in this friendly interscholastic contest. This attitude of sportsmanship should be reflected by all spectators, too, no matter what their personal feelings of loyalty may be to one or the other of the teams in the contest. Parents/guardians and/or fans are not allowed on the playing field, sidelines or court at any time during the contest.

**Sportsmanship Expectations of Parent(s)/Guardian(s):** Your enthusiasm as a participant or spectator includes a vital responsibility for good sportsmanship. Your habits and reactions determine the quality of sportsmanship, which reflects upon our school and community. Parent(s)/guardian(s) are expected to: Know and demonstrate the fundamentals of good sportsmanship.

- Respect and cooperate with cheerleaders.
- Respect school property and authority.
- Show respect for opponents and opposing coaches and fans.
- Show respect for players who are injured.
- Respect the judgment and strategy of the coach (even if you disagree).
- Respect the judgment of game officials (even if you disagree).
- Avoid profane language and inappropriate behavior at all times.
- Avoid applauding errors or penalties of the opponents.
- Refrain from heckling, jeering or distracting opponents.
- Refrain from being critical of players, coaches or officials for a loss.
- Refrain from throwing objects on the playing area or in the bleachers.
- Avoid stomping on bleachers or the use of artificial noisemakers.
- Refrain from singing cheers that taunt or ridicule opposing players, coaches, cheerleaders or spectators.
- Refrain from booing or showing displeasure with game officials or game activities.
- Refrain from bringing food or drinks into the gymnasium or auditorium.

## **STUDENT CONDUCT AT ACTIVITIES AND EVENTS**

Students are responsible for their conduct at extracurricular and school related activities and events. In this regard, the Board approved Student Code of Conduct applies to any and all curricular, extracurricular and school sponsored activities, on or off the campus, day or night. Students choosing to violate any portion of the Code of Conduct will be held accountable in the same manner as they would during the regular school day.

## **GRADUATING SENIORS NEED TO BE AWARE THAT ANY END OF THE YEAR MISCONDUCT MAY RESULT IN LOSS OF THE PRIVILEGE TO PARTICIPATE IN COMMENCEMENT EXERCISES.**

**Sportsmanship Expectations of Students:** In addition to the Code of Conduct, students are asked to observe the following rules at home sporting events:

- Avoid stomping on bleachers.
- Amplified noisemakers (this includes air horns) are not permitted at any time. Bells, clickers, horns, or similar noisemakers will not be permitted at inside events. Taunting of individual players or officials will not be tolerated.
- Refrain from using derogatory chants or cheers directed at the opposing team.
- Refrain from throwing any object onto the floor or field from the bleachers.
- Only cheerleaders are permitted to use megaphones.
- Profane or obscene language will not be permitted.
- Refrain from blocking the aisles.
- Food and drink are not permitted in the gymnasiums.
- Students who leave an event will not be readmitted.
- Cheer opposing teams and officials when introduced.
- Cheer all good plays.
- Treat all opposing players and fans courteously.
- Be humble in victory and gracious in accepting defeat.
- Respect the playing of the National Anthem.

### **Student Attendance at School Sponsored Events/Activities**

Students are encouraged to attend the various public and school events held for Hazelwood Central High School during the year. Public events such as sporting contests, band performances or choir performances are open to students, members of the community and all interested parties. Some school events, however, such as dances and other specified activities, are intended for Hazelwood Central High School students only, although guests may attend with the principal's approval.

Students attending either public or school activities will be held accountable for their actions. Any inappropriate behavior as defined in the "Student Code of Conduct" will not be tolerated. Furthermore, any student attending an activity and leaving the building before its conclusion will not be readmitted. Students are expected to carry their school ID at all school activities. Students serving a suspension (ISS and/or OSS) are not permitted to attend any school event, on campus or off campus.

### **UNSPORTSMANLIKE CONDUCT**

A display of unsportsmanlike conduct, the use of profanity, insubordination, or other behavior unbecoming a student participant during practice or contest will result in disciplinary action. The coach/sponsor/director has the responsibility and the authority to take action that will result in what is best for the individual, the team, and the school. Disciplinary action may range from a verbal warning, counseling, or suspension. Dismissal from the team or activity may result after the coach has made a recommendation to the activities/athletic director and/or principal.

### **STUDENT PARTICIPANT RESPONSIBILITIES**

Athletes and students that participate in activities need to keep in mind that they are in the public eye and that their personal conduct always must be above reproach. Student participants have an obligation to create a favorable image and to gain the respect of their teammates, student body, and community. Student participants are expected to:

- Strive to achieve sound citizenship and desirable social traits, including: control, honesty, cooperation, dependability, and respect for others and their abilities.
- Maintain academic and eligibility standards as established by the MSHSAA and Hazelwood Central High School.
- Learn the spirit of hard work and dedication.
- Attain mental and physical fitness through good health habits.
- Excel to the limits of their potential.
- Show respect for both authority and property.
- Accept the leadership role that is instilled through the activity program.

### **REQUIRED PHYSICAL EXAMINATIONS & PRIVIT PROFILES**

Student athletes and those students participating in fall marching band and winter guard must have a physical examination on file with the activities office. A physical examination is good for two years from the date signed by the physician.

The MSHSAA Physical Examination Form MUST be used. The MSHSAA Physical Form is available in the activities office. Physicals are one of multiple required forms that will be required to be completed to be cleared for activity participation. All required forms will be located within each students-athlete's Privit profile that must be completed in full by the parent and student prior to being cleared for participation. Privit profile instructions are located within the activities office and on the Hazelwood Central High School activities website.

## **INSURANCE FOR ATHLETES**

Proof of Insurance is required for Hazelwood Central High School student participants. The Hazelwood Central High School does not purchase insurance for athletes or student participants. MSHSAA rules require that a student must be covered with health insurance before being allowed to practice or compete for a school team. Providing proof of insurance is one of the multiple tasks to be completed by the parent within the students Privit profile.

## **STUDENT ELIGIBILITY - PROTECT YOUR ELIGIBILITY**

MSHSAA, of which the Hazelwood Central High School is a member, is a voluntary, nonprofit, educational association of junior and senior high schools established for the purpose of working cooperatively in adopting standards for supervising and regulating interscholastic activities and contests.

One of the primary functions of MSHSAA is to establish eligibility standards that must be met by all students to attain the privilege of representing their school in interscholastic activities.

Eligibility is a PRIVILEGE to be granted by the school to a student which allows that student to participate in interscholastic activities. Eligibility is NOT A STUDENT'S RIGHT BY LAW. Precedent-setting legal cases have determined that eligibility is a privilege to be granted only if the student meets all standards adopted by the school which enables the school to grant the student such a privilege.

Students and parents/guardians should familiarize themselves with information below that outlines the major rules and regulations that students must follow in order to protect their eligibility.

### **MSHSAA Eligibility Standards**

Any student participant who represents one of the Hazelwood Central High School by participating on athletic teams or performance groups, including music activities (marching band, color guard, ensembles, choir, winter drumline), dance (dance/pommers and winter guard), speech and debate, drama, or academic competitions (scholar bowl) shall meet the standards of eligibility specified in the MSHSAA Constitution **AND** those additional standards of Hazelwood Central High School.

#### **Academics**

- Students must be enrolled in courses offering 3.0 units of credit. (This is normally six courses). Students must have earned 3.0 units of credit the preceding semester.
- Freshman, Sophomores, Juniors must pass 7 of 8 classes and Seniors must pass 6 of 7 classes from the previous semester to be eligible for the current semester.

#### **Transferring Schools**

If the student transfers schools and the parent(s)/guardian(s) do not move to the new school district, the student will be ineligible for 365 days, unless they meet one of the exceptions to the transfer or promotion rules. See the activities/athletic director or principal regarding non-traditional households.

If the family experiences a bona fide move to a new school district, the student may be eligible pending MSHSAA transfer By-Laws. See the activities/athletic director to complete the necessary paperwork.

### **Participation Limits**

Students are eligible to participate in any sport for a maximum of four seasons. Any part of a game played during a season counts as a season of participation.

Students' eligibility to participate in high school activities begins when they first enter the ninth grade and lasts for the first eight semesters that they are enrolled in high school. The eighth semester must immediately follow the seventh semester.

In order to participate on or against teams made up of only ninth graders, students must not have reached 16 years of age prior to July 1 preceding the opening of school. However, students may participate with the next higher grade when they no longer meet the age limit for their grade. Students that reach the age of 19 prior to July 1 will be ineligible for interscholastic competition the next school year.

- **NOTE: Check with the school principal/activities/athletic director for options available to students if they are ineligible for their grade level because of age.**

### **School Enrollment**

Students must enter school within the first 11 days of the semester to be eligible.

### **Awards Standards**

Students may not receive cash, merchandise, or gift certificates for participating in athletic contests.

Students may accept awards that are symbolic in nature, such as medals, trophies, ribbons, plaques, etc., for participating in school activities programs. These awards may be received only from their school, from a school hosting an event, or from the MSHSAA. These awards may not exceed \$100 in manufacturer suggested retail price.

Students may accept awards for participating in non-school-sponsored activity competitions only if the awards are symbolic in nature, such as medals, trophies, ribbons, plaques, etc.

### **Non-school Competition**

- Students may not participate in any organized non-school competition and their school team IN THE SAME SPORT during the same season with the exception of swimming. **Please see the activities/athletic director with these circumstances.**
- Students may participate on a school team and a non-school team in different sports during the same season; however, they may not practice or compete in non-school organized athletic competition ON THE SAME DAY that they practice or compete with their school team without approval of the school administration.
- Before students join any non-school team or enter any non-school competition involving athletics, check with the activities/athletic director to make certain these standards are being met.
- Students may participate in an "audition" or "tryout" for a college team only after they have completed their last season of eligibility in the sport for which they wish to try out.
- Students may not compete in an all-star game or contest before they complete their eligibility in the specific high school sport.

**REMINDER:** Any questions pertaining to eligibility that are not answered above should be brought to the attention of the activities/athletic director prior to participation in the event.

## **Hazelwood Central High School Eligibility Standards**

Any student participant who represents the Hazelwood Central High School by participating on athletic teams or performance groups, including music activities (marching band, color guard, ensembles, choir, winter drumline), dance activities (dance/pommes and winter guard), speech and debate, drama, or academic competitions (scholar bowl) shall meet the standards of eligibility specified in the MSHSAA Constitution and those additional standards of the Hazelwood Central High School.

- Students must be enrolled in courses offering 3.0 units of credit.
- Students must have earned 3.0 units of credit the preceding semester. The student must maintain a 1.5 Grade Point Average from the preceding semester. (Provisional Eligibility may be granted by the Activities/Athletic Director/Principal for the 1.5 GPA only. This provisional may be granted only once in a student's high school career.)
- Student-athletes and those participating in non-athletic activities will have weekly grade and behavioral progress reports due to their head coach or program director both in-season and during the off-season.
- Students must attend all practices and contests unless excused by the coach.
- Students must refrain from the use of any tobacco, alcohol, or controlled substance (other than prescription).
- Students must not have any outstanding fines.
- Students must attend school the entire school day on the day of a game. If a game is played on Saturday, they must attend school on Friday. Any exception to this rule must have the prior approval of the activities director and/or the Principal.
- Students who are serving in the In-School Suspension Program (ISS) are not allowed to practice or participate until their suspension is served.
- Students that are serving an Out-of-School Suspension (OSS) will not be allowed to practice or compete until their suspension has been served and they have reestablished themselves as a student in good standing by attending a full day of school the following day.
- Summer school credits may apply to state eligibility standards provided the course is necessary for graduation or promotion and it is placed on the school transcript. No more than 1.0 credit in summer school shall be counted towards fall semester eligibility.
- Students should discuss eligibility issues with the counselor and Activities Director prior to enrolling in any Credit Assistance Programs (CAP).
- Any student who falsifies required documents will be subject to dismissal from the activities in which they are involved.
- A student must be a credible school citizen. Credible school citizens are those students whose conduct, both in and out of school, will not reflect discredit upon themselves or their schools.

## **ATTENDANCE ELIGIBILITY**

The student who is expelled or who withdraws from school because of disciplinary measures shall not be considered eligible for 365 days from the date of expulsion or withdrawal. If a student misses class(es) without being excused by the principal or activities/athletic director, they shall not be considered eligible on that date. Further, the student cannot be certified eligible to participate on any subsequent date until the student attends a full day of classes (or has an excused absence(s) from class) without an unexcused absence.

In the event that a student is assigned an afternoon detention period as the result of a classroom problem, the detention **MUST** be served before the student can return to an extracurricular activity. They are not allowed to use the excuse of "I have practice, so I can't stay for detention." The classroom obligation always comes first.

## **LATE ARRIVALS TO SCHOOL**

Students and parents/guardians must follow the procedures set by each high school.

## **PREARRANGED ABSENCES**

Any student who misses class time due to out-of-school engagements, such as doctor appointments, funerals etc., is to have the absence pre-arranged through the activities office in advance of the absence. Failure to do so may result in being ineligible for future contests.

## **CITIZENSHIP GUIDELINES FOR EXTRACURRICULAR PARTICIPATION**

To be eligible to participate in school activities is a privilege, not an inherent right, and therefore requires certain behaviors and attitudes. More specifically, any student who represents their school in activities must be a creditable citizen and be judged so by proper school authority certifying the list of students for participation.

A student whose character or conduct is such as to reflect discredit upon themselves or their school is NOT considered a credible citizen. This includes violations of public law and/or school policy. Their conduct shall be satisfactory in accord with the standards of good discipline. Students who participate in the activities, athletics, or performing arts programs should remember the rewards, recognition, and notoriety that comes with involvement also carries a high degree of school, civic, and individual discipline and responsibility.

The rewards are great! A student has much to gain, but also has much to lose for behavior which is inappropriate. Besides the possibility of losing eligibility for inappropriate behavior, students involved in the extracurricular activities programs are also subject to the disciplinary consequences listed in the Student Handbook.

It is understood that citizenship eligibility cases are handled on an individual basis by the sponsor/coach/director/supervisor, principal, activities director, parents, and student. However, it is also felt that system-wide guidelines will assist in the uniform handling of such cases. Cases will be investigated when: police records are available, a district employee has first-hand knowledge, and/or there is student admission.

Students should be aware that the Hazelwood Central High School Code of Conduct shall be enforced for any school related activities such as but not limited to field trips, summer camps, in and out of season conditioning and events.

To clearly outline and define the disciplinary action, the following guidelines are provided for students:

### **Law Enforcement**

A student who commits an act for which charges may be or have been filed by law enforcement authorities under any municipal ordinance, misdemeanor or felony statute shall not be eligible until all proceedings with the legal system have been concluded and any penalty (i.e. jail time, fine, court costs, etc.) or special condition of probation (i.e. restitution, community service, counseling, etc.) has been satisfied. If law enforcement authorities determine that charges will not be filed, eligibility will be contingent upon local school policies. Minor moving traffic offenses shall not affect eligibility, unless they involve drugs, alcohol, accidents or injuries. After a student has completed all court appearances and penalties, and has satisfied all special conditions of probation and remains under general probation only, local school authorities shall determine eligibility.

## **Student Responsibility for Reporting Involvement with Law Enforcement**

Each student is responsible to notify the school of any and all situations that would affect their eligibility under the above standards. **If the student does not notify the school of the situation prior to the school's discovery, then the student shall be ineligible for up to 365 days from discovery, pending review by the MSHSAA Board of Directors.**

## **Tobacco, Alcohol and Drug Guidelines**

Alcoholic beverages, tobacco products, and/or illicit drug possession, use, sale, and/or abuse. Students should not use, sell, abuse, or possess alcoholic beverages, tobacco products, and/or illicit drugs.

12

### **First Violation**

Upon the **first violation** for tobacco, alcohol, and/or drugs, the student participant will be suspended for 20 percent of the competitions, performances, and/or evaluative events in the sport/activity they are participating in. The student participant and parent(s)/guardian(s) must meet with the coach and activities/athletic director before the student participant can return to participation.

### **Second Violation**

Upon the **second violation**, the student athlete will be suspended for 50 percent of the remaining games in the sport they are participating. The student participant and parent(s)/guardian(s) must meet with the coach and activities/athletic director before the athlete can return to participation.

### **Third Violation**

Upon the **third violation**, the student athlete will be suspended from participating in any sport or activity for a period extending for a full calendar year (365 days) or beyond depending on a hearing by an Athletic Review Board consisting of the coach, activities/athletic director, and principal/designee. **The violations will accumulate over the student's high school career.**

**\*Repeated violations of any of the above may result in complete disassociation with any or all activity/athletic teams for the remainder of the student's high school career.**

## **APPEALS AND DUE PROCESS**

Students will have the opportunity to express their side of any incident in which they may be involved. Parent(s)/Guardian(s) may be involved with students during the meetings. The coach/sponsor, in consultation with the activities/athletic director, may suspend a student from activities after having given them the right to be heard. The suspension decision may be appealed to the principal. The principal's decision will be final.

**\*Any incidents which occur that are not covered by these guidelines will be reviewed on an individual basis and decisions related to penalties will be made jointly by the school administration and coach/sponsor.**

## **NCAA CLEARINGHOUSE**

### **Prospective College Athletes**

High School juniors and seniors intending to play college sports at the NCAA Division I, II, III and NAIA levels are required to complete the NCAA Initial Eligibility Clearinghouse Student Release Form online at [http://web1.ncaa.org/ECWR2/NCAA\\_EMS/NCAA.html](http://web1.ncaa.org/ECWR2/NCAA_EMS/NCAA.html)

## LETTER AWARDS

Letter awards are given to student participants who have distinguished themselves in some capacity as members of a MSHSAA sanctioned sport or activity. Participants satisfying letter criteria are recommended to the activities director and principal by their coach, director, or sponsor. Written requirements describing the standards by which student performance is judged and "letters" recommended may be obtained from the student's coach, director or sponsor upon request. An athletic award is a symbol of athletic accomplishment, good sportsmanship, and observance of athletic policies. No student athlete may receive an award in a sport for which they are academically ineligible at the completion of the season or if under suspension for an athletic violation. **No awards will be issued to an athlete until all equipment for his/her sport is turned in to the coach.**

## SENIOR SCHOLAR ATHLETE AWARD

To be eligible for the Senior Scholar Athlete Award, a student must:

Have a cumulative grade point average of 3.25 or better after seven semesters of school or a 3.125 average if the 3.250 criteria cannot be satisfied by the candidates.

Have participated in at least two sports during the last two years; earned a varsity letter in at least one; and participated in a sport all four years.

Have shown outstanding achievement in a varsity sport while in attendance at Hazelwood Central High School.

Have been a good school citizen worthy of representing their school. The principal and activities director will determine which students meet the preceding criteria and will present these eligible candidates to a voting committee that will determine one award recipient for each high school. The committee consists of the principal, the athletic director, assistant principal, every head coach and four teachers from the language arts, math, social studies and science departments. These four teachers will be designated by the departmental chairs. If there are no candidates eligible, no Scholar Athlete will be selected.

## HAZING

Student hazing is expressly prohibited by Board of Education policy. For purpose of this policy, hazing is defined as willful conduct directed at another student, whether occurring on or off school property, for purposes of initiation or admission to any school-related activity or athletic team.

Students found to have violated this policy will be subject to suspension/expulsion from school and suspension/exclusion from activities/athletic participation depending on the severity of the misconduct per Board Policy.

Non-students who participate or enable the hazing of students may be excluded from attendance at school activities and school athletic events. District employees, including sponsors and coaches, who have knowledge of school hazing but fail to take corrective action will be subject to discipline up to and including termination of district employment. **If hazing occurs, coaches/sponsors must report the incident to school administration immediately.**

## **STUDENT ACCOUNTABILITY FOR EQUIPMENT**

In order to give student participants a sense of responsibility and an appreciation of their equipment, squad members are to be held accountable for the abuse or loss of it. The cooperation of all coaches/sponsors is solicited in seeing that student participants maintain proper care of all athletic equipment.

It is the responsibility of the head coach to see that players always put away and check in their equipment after games and practices.

Any equipment lost by a student participant must be paid for by the participant. Failure to turn in equipment or pay the fine may result in detentions and would prohibit participation in another activity.

Any loss of equipment should be immediately reported to the head coach/sponsor rather than waiting until the end of the season.

Coaches/Sponsors are to inform their players not to exchange any equipment (practice or game). If it is necessary to make an adjustment, then this is to be done through the coaches.

Coaches/Sponsors shall make clear to the members of their squads that any member of the coaching staff, teachers, principals, or the activities director has the prerogative to command proper use of any school equipment and/or facilities at any time.

No students are to use the gyms, athletic areas, weight rooms, locker rooms, or showers unless supervised by a coach or sponsor.

## **STUDENT TRANSPORTATION TO AWAY EVENTS**

The school district's optimum goal is the requirement that all students arrive and return from regular daily classroom instruction as well as school-sponsored events on school student buses and under the supervision of school personnel.

Regarding the transportation of students by private vehicle, the owner of the vehicle agrees:

- The owner of the vehicle will transport no more passengers (including students and the driver) than which the vehicle is designed to carry. The number of seat belts in the vehicle indicates the number of passengers.
- All passengers will be secured in seat belts.
- The vehicle is licensed according to state laws.
- The driver of the vehicle has a valid Missouri operator's license.
- The driver of the vehicle has valid car insurance coverage.
- In the event of an accident, claims are made against the vehicle owner's insurance company.
- These rules apply to student participants, teachers, volunteers, parents, booster club members, etc, who transport students to events, practices, field trips or any school-sponsored activity.
- The administration reserves the right to deny any request for transportation in a private automobile without cause.

ANY STUDENT THAT IS NOT TRANSPORTED BY SCHOOL TRANSPORTATION MUST COMPLETE THE PRIVATE TRANSPORTATION AGREEMENT.

## **SUNDAY/HOLIDAY PRACTICE**

Occasionally, a coach may receive permission from the activities director to have a practice on Sunday afternoon to prepare for a Monday contest. However, attendance at Sunday practice is not required, and the student participant will not face consequences for not attending. We do, however, expect the student participant to communicate with the coach/sponsor/director should they miss a practice.

## **CHANGING/QUITTING TEAMS**

A student who is out for a sport but who does not finish the season in that sport will not be eligible to start practicing for another sport before the end of the competition in the sport that was dropped, unless the coaches of both sports and the activities director give their consent.

## **ACTIVITY CONFLICT PRIORITY LIST**

Students should make reasonable choices when participating in activities to not create conflicts between activities. This involves good decision-making skills, prioritizing, and long-range goals and aspirations. However, when a conflict arises between two school-sponsored activities, administrative priority will follow this order of precedence:

- National events
- State events

## **TRAINING ROOM**

The training room is available to all student participants. Student participants are offered a wide variety of services to help meet the demands of athletic competition and performances. The following are guidelines to be followed when using the training room:

- Students must be accompanied by the athletic trainer or coach/sponsor.
- Only student participants requiring treatment and/or rehabilitation of an athletic injury are allowed in the training room.
- All taping, bandaging and treatments will be done by the coach or athletic training staff. Appropriate clothing must be worn at all times.
- Only the athletic training staff is to switch the whirlpool on or off.

## **SUPERVISION POLICY**

No individual student participant, team, or performance group shall be permitted to participate in events without being accompanied and supervised by a representative of the school faculty or administrative staff. Coaches and sponsors are responsible for supervision of groups while on the bus traveling to and from events, while at the events, and until the students' rides arrive. Activities may not occur without school representative supervision. This includes but is not exclusive to: practices, meetings, performances, contests, and bus transportation.

Sponsorship includes the coach/sponsor riding the bus, accompanying the activity, and/or supervising any activity under the sponsorship of a particular department. Sponsorship may necessitate the coach/sponsor procuring assistance from within their department and/or activity personnel. It is the responsibility of the coach/sponsor to cover their events.

## **MONEY AND VALUABLE ARTICLES**

Students should not bring large amounts of money to school. All valuable articles should be in the possession of the owner at all times. The school does **NOT** accept responsibility for stolen money or other valuables. Student participants who bring these items to school do so at their own risk.

## **PROPOSAL PROCEDURES FOR A NEW CLUB OR ACTIVITY**

The following steps are required for initiating a new activity or for providing guidelines to sponsors for administering one that has been established:

- Investigate the interest and needs of students for the activity.
- Select a knowledgeable and enthusiastic staff member to sponsor the activity.
- Hold a preliminary meeting (or meetings) with the staff member and students.
- Involve students in the formulation and adoption of objectives for the activity.
- Prepare a Constitution and By-Laws; standards for membership and procedures for upholding these standards should be included.
- Present the proposal with Constitution and By-Laws to the activities director for approval and to the student council for consideration as a new club.
- Elect officers. Make certain that students understand the significance of selecting leaders who meet well defined qualifications for the privilege of representing other students.

If the club or activity is approved, the sponsor should provide guidance to officers and members of committees. The sponsor should make certain that officers understand proper parliamentary rules and presiding techniques. Care should be taken to make certain that thorough preparation has been made for all meetings, programs, and activities. The students should look to the sponsor as a resource person.

---

This application to participate in interscholastic activities in the Hazelwood Central High School is voluntary on my part and is made with the understanding that I am eligible under the following rules set by M.S.H.S.A.A. and the additional rules set by the Hazelwood Central High School.

**M.S.H.S.A.A. ELIGIBILITY STANDARDS**

1. Must be a credible school citizen.
2. Cannot be 19 years old before July 1 preceding opening of school.
3. Cannot have graduated from a four-year high school.
4. Cannot have attended eight semesters of high school.
5. Cannot have competed in four seasons of a particular sport.
6. Must be enrolled in school the first 11 days of the semester
7. Cannot have played under a false name
8. Cannot commit an unsportsmanlike act.
9. Students serving school suspension are not eligible to practice or compete in school activities.
10. Must be enrolled in courses offering 3.0 units of credit.
11. Must have earned 3.0 units of credit the preceding semester. Summer school credits may apply to state eligibility standards provided the course is necessary for graduation or promotion and it is placed on the school transcript. No more than 1 credit in summer school shall be counted towards eligibility.
12. Must have satisfactorily passed a physical examination dated after February 1 immediately preceding the first day of the season for the activity in which you wish to participate. The examination report must specifically state that you "may participate in physical activities," and must be signed by the physician who conducted the examination.

**Hazelwood Central High School ELIGIBILITY STANDARDS**

1. Must maintain a minimum 1.5 current G.P.A.
2. Must attend all practices, contests, and other performances unless excused by the coach.
3. Not have any outstanding fines.
4. Must attend school the entire day of a game and must attend school on Friday to play on Saturday.
5. Must have satisfactorily passed a physical examination dated after February 1 immediately preceding the first day of the season for the sport in which you wish to participate. The examination report must specifically state that you "may participate in sports," and must be signed by the physician who conducted the examination.
6. Any student who falsifies the physical examination form or any other required participation form is subject to suspension and/or permanent removal from the team or group by the Activities Director and/or Principal, and may be suspended or removed from additional activities depending upon the nature and magnitude of the offense.
7. Must be a credible school citizen in accordance with the following standards:
  - a. Students who are serving out-of-school (or in-school) suspensions may not practice for or participate in school activities during the suspension. Multiple and/or serious violations of the Code of Student Conduct may result in long-term suspension and/or permanent removal from current and future school activities.
  - b. You must not use, possess, or distribute tobacco products while on school property or at school activities, whether on or away from District property.
  - c. You must not use, possess or distribute alcohol or controlled substances at any time, whether on or away from school property.
  - d. You must not be arrested for, charged with, or convicted of a felony or misdemeanor under either criminal or juvenile law,

whether the offense occurs on or away from school property.

When a student is accused of an offense under either criminal or juvenile law, the charges may be dismissed or the student acquitted due to the high standard of proof required under criminal and juvenile proceedings: guilt beyond a reasonable doubt. However, the District reserves the right to make an independent determination regarding whether the student engaged in the misconduct alleged, and is required only to establish by a preponderance of the evidence (more likely than not) that the student engaged in such misconduct.

The District does not have the authority to excuse students from the eligibility requirements established by MSHSAA. Additionally, students are uniformly expected to comply with the eligibility requirements established by the District. Accordingly, the procedures below are provided for the sole purpose of preventing suspensions and/or removals based upon inaccurate or incomplete information.

The procedures are not intended to provide standing with an opportunity to (1) avoid suspension or removals imposed for conduct they have actually committed, or (2) ask principals and/or the Board of Education for leniency when an appropriate consequence has been imposed for conduct that has actually occurred.

1. In most cases, a student should be advised of the reason for the suspension or removal from an activity, and provided with an opportunity to respond, prior to imposing the consequence.
2. When it is necessary in the judgment of the coach, sponsor, activities director, or principal to suspend or remove a student from an activity prior to advising the student of the reason for such suspensions or removal, the student should be advised of the reason and given an opportunity to respond within a reasonably prompt time after the consequence has been imposed.
3. Students may appeal a suspension or removal imposed by a coach or sponsor to the Activities Director. 4. Students may appeal a suspension or removal imposed or affirmed by the Activities Director to the Building Principal.

I UNDERSTAND THAT PARTICIPATION IN SCHOOL ACTIVITIES IS A PRIVILEGE AND NOT A RIGHT. I UNDERSTAND THAT I AM REQUIRED TO COMPLY WITH ALL OF THE ABOVE -LISTED REQUIREMENTS TO BE ELIGIBLE FOR PARTICIPATION IN SCHOOL ACTIVITIES. I UNDERSTAND THAT VIOLATION OF ONE OR MORE OF THE ABOVE RULES MAY RESULT IN SUSPENSION AND/OR PERMANENT DISMISSAL FROM THE CURRENT TEAM OR ACTIVITY AND FROM ADDITIONAL SCHOOL ACTIVITIES, DEPENDING UPON THE NATURE, FREQUENCY, AND SEVERITY OF THE VIOLATION(S).
