

## **Police investigating after shots were fired in the Hazelwood East parking lot**

HAZELWOOD, Mo. – An investigation is underway after shots were fired in the parking lot of Hazelwood East High School Friday afternoon.

Police originally said two cars exchanged gunfire, but now they believe there is only one shooter from one of the cars who shot at the other car.

The suspect car with the shooter left the scene and the other car that was shot at is considered stolen and was found in the rear parking lot of the school.

## Gunfire exchanged in Hazelwood East parking lot

ST. LOUIS COUNTY, Mo. – The St. Louis County Police Department is investigating a shootout involving two vehicles at a north county high school Friday.

According to Sgt. Shawn McGuire, a county police spokesman, the shootout took place around 2:30 p.m. at Hazelwood East High School.

The two vehicles involved exchanged gunfire and then left the parking lot.

No injuries were reported.

It's unknown if anybody in either vehicle is a student at the high school.

## Occupants of 2 cars fire shots at each other on parking lot of North County high school, police say

NORTH ST. LOUIS COUNTY (KMOV.com) - Gunfire was exchanged between vehicles on the parking lot of Hazelwood East High School Friday afternoon, police said.

The exchange happened at 2:30 p.m., around the time students were dismissed for the day.

Police said nobody was hit.

By the time officers arrived, both cars had left the scene.
