

Teacher of the Year Award Presented to 3 Hazelwood School Teachers

On Thursday, May 17th the Ed Napleton Group hosted the first annual Teacher of the Year Award ceremony at Napleton Hyundai in Hazelwood. The event honored three winning teachers and six honorable mention teachers.

In March, Napleton Hyundai (in coordination with the Napleton family) reached out to the Hazelwood School District to develop a plan to award the efforts of the teachers in the district. Parents, students and community members were encouraged to nominate their favorite teachers for their endeavors in educational success. The Napleton family along with the Hazelwood School District awarded three teachers with \$1,000 each. One winning teacher was picked from Elementary, Middle and High School. There were over 200 nominations submitted. Six additional Honorable Mention teachers were presented with gas cards.

The Ed Napleton Group and Hazelwood School District would like to congratulate the winners.
