## Congratulations, Rashawn Riney, Hazelwood West High School Class Of 2021

FLORISSANT, MO — The high school seniors of 2021 have had an experience like no other in a century — a year upended by a pandemic and by lockdowns that kept them from enjoying many of the activities that previous seniors have taken for granted.

Patch hopes to help make it up to those seniors by giving them a special sendoff. We asked parents and other family members to pay tribute to this year's grads using a [special submission form](#) so we can publish those tributes one by one.

**Rashawn Riney will graduate from Hazelwood West High School.**

**Plans after graduation:** Creighton University to obtain Bachelor of Arts and Science in Graphic/Web Design Minor in Marketing

**Accomplishments:** 4.0 GPA, awarded The Founders Award for academics.

**Special message:** We are excited and so proud of you! It's wonderful to see the young man you have become. Keep Becoming and your best is yet to come. Congratulations!! We love you Rashawn! Go Bluejays!
