Dear Hazelwood School District Families:

I am writing to provide an update on the District's preparations for school closure in light of the Coronavirus (COVID-19) situation. As you know, **the Hazelwood School District will be closed beginning Wednesday, March 18, 2020, through Friday, April 3.** The decision will be reevaluated by April 3 on next steps. In the meantime, my leadership team has put together a plan to help keep our students engaged. Below are links to additional information:
