## Travel Procedures

These procedures apply to all overnight travel, regardless of the funding source.

All travel must be approved **in advance** by the building principal/program director (or supervising assistant superintendent if it is travel for an administrator). Travel for all others must be approved **in advance** by the immediate supervisor. If the travel is being funded by building PDC funds, the travel must also be approved **in advance** by the Building PD Committee (BPDC)/District PD Committee (DPDC) and documented on the "Professional Development Request" form. The "Travel Approval Request" form should be used to document this pre-approval. The Travel Approval Request form can also be used to request a cash advance for expenses. Individuals who have a district Visa purchasing card should not request (and will not be given) an expense advance; however, they will need to submit a Travel Approval Request form for pre-approval. If traveling with a district Visa, be certain that you have sufficient funds loaded onto your card prior to your departure. Any travel expenditures charged to Visa without prior approval will need to be reimbursed to the District. The business office will follow district procedures when reimbursing travel expenses. Travel expense reports are due in the business office within ten (10) business days after the completion of the travel. If this deadline is not met, the payroll department has the right to deduct the amount of the expense advance from the employee's paycheck. All claims for reimbursement must be accompanied by **itemized receipts**.

Hazelwood School District is exempt from sales tax from the State of Missouri. Be certain to obtain a copy of our sales tax exemption letter prior to traveling in the state of Missouri. If paying with a district visa, the district's Missouri tax ID is printed on the top of the purchasing card. It is your responsibility to be certain that no Missouri sales tax is charged on any transaction and any Missouri sales tax included on your itemized receipts will **NOT** be reimbursed.

School District Board members and District staff who are approved to attend workshops, seminars, conventions, and meetings in the course of fulfilling the responsibilities connected with their positions shall be compensated for necessary expenses in accordance with the following provisions:

## Guidelines for Renting Cars for Travel

- Car rentals are discouraged.
- **Rental cars will be considered for the following situations only:**
  1. There are no shuttles from the airport to the conference destination.
  2. The hotel is not within walking distance of the conference and no shuttles are provided.
  3. Depending on the number of employees traveling together, the cost of shuttles/cabs would be higher than the total cost of a rental car, insurance, parking and fuel.
  4. Emergency situations
- Requests for rental cars must include at least three (3) company comparisons with the best rate selected. The rental car must be reserved in the name of Hazelwood School District in order for the District's insurance to apply. It can be paid from a District Visa card or a P-card.
- If the District is responsible for the insurance, a certificate of insurance must be requested from Arthur J Gallagher **in advance** to have while driving the rental car and a copy given to the rental company at the time of check-in. A \$500 deductible applies. Call Kuleya Bruce @35016 or Mary Daniel @35049 to order the certificate of insurance.
- Insurance: The District insurance carries a \$500 deductible if damage occurs, for which the school/program will be responsible. Therefore, it is recommended you accept the insurance from the rental company if the rates are reasonable. Otherwise, follow the steps in the previous bullet.
