# KIDaccount Parent App

The KIDaccount Parent App offers a secure and convenient way for parents and caregivers to stay informed about their child's school dismissal. Manage dismissal and pick-up procedures with ease using our digital solution. This app integrates seamlessly with the established KIDaccount system used in schools nationwide, enhancing both safety and efficiency.

Key Features & How to Get Started

Digital ID Management
Replace physical ID cards with secure digital IDs. Control who can pick up your child by sharing access to the digital ID with your student's approved contacts right from your mobile device.
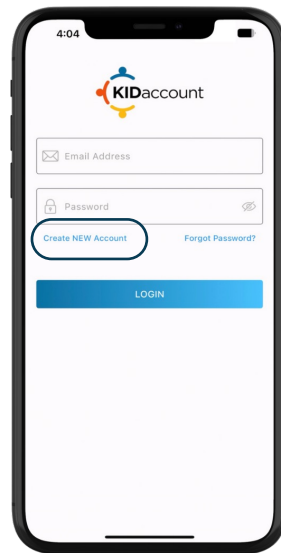

Real-Time Notifications
Receive confirmation alerts about any changes to your child's dismissal schedule directly on your phone, ensuring you always stay up to date.

Daily Dismissal Updates
Get detailed daily notifications about when your child was dismissed, by whom, and by which method—carline, bus, walking home, or after-school programs.

How to Get Started
You may not have access to your school's KIDaccount Parent App until **2-3 days** <u>before</u> your school startup. Once downloaded, simply select "Create NEW Account" as seen in the graphic to the right. It's that easy!
