

Vision

East Middle School is creating a community of lifelong learners engaged in high standards and achievement with respect for all.

Mission Statement

East Middle School aspires to motivate students through education and community collaboration for future success.

About Us

- Graduate early with career certification and/or an associate degree in general studies
- Pathways to successful careers:
 - Health Sciences
 - Information Technology
 - Broadcasting
- We are the only school in the Hazelwood School District that allows middle school students to accelerate their coursework to include high school courses
- Students are fully immersed in the high school setting allowing for club membership and early access to high school resources
- Students are supported by a counselor who teaches 21st century life skills and helps students become mature learners in their challenging high school coursework
- Students may participate in various extracurricular activities: cheerleading, boys basketball, girls basketball, track, volleyball, drumline, and more.
