Units of Study

6th Grade Computers
✗ Typing
✗ Parts of Computers
✗ Google APPs
✗ Business Project

7th Grade Automation and Robotics
✗ Students trace the history, development, and influence of automation and robotics as they learn about mechanical systems, energy transfer, machine automation, and computer control systems.
✗ Students use the VEX Robotics platform to design, build, and program real-world objects such as traffic lights, toll booths, and robotic arms.

8th Grade Medical Detectives
✗ Students play the role of real-life medical detectives as they collect and analyze medical data to diagnose disease.
✗ Students will solve medical mysteries through hands-on projects and labs, measure and interpret vital signs, dissect a sheep brain, investigate disease outbreaks, and explore how a breakdown within the human body can lead to dysfunction.

Mrs. Laskowski

P.E. and Health

Jlaskwsk@hazelwoodschools.org

‘314-953-7585
This is the gym and all classes will meet in the gym.

Squads spots are given to students and they are socially distanced for class.
Students will need to bring the following everyday for P.E. and Health:

Chromebook
Tennis Shoes
Water Bottle

All students will be participating in P.E. and Health for class so they should be prepared to go outside everyday.

Flag Football
Softball
Basketball
Fitness Testing
Ms. Berger

Physical Education/Health Teacher

314-953-7587

mberger@hazelwoodschools.org
This Trimester we will be playing the following sports: Softball, Basketball and Flag Football. We will also be doing Fitness Testing and Health.
Mr. HARRY
PERFORMING ARTS AT NORTH MIDDLE:

BAND  CHOIR  ORCHESTRA
Mr. Stith

Band
Exploring Music

Room 134

Choir/Vocal Music and Exploring Music Teacher
Room 132
vmount@hazelwoodschools.org
314-953-7593
Mr. Amaro

- Orchestra
- Exploring Music

Room 136
ramaro@hazelwoodschools.org
314.953.7595
EXPLORING MUSIC - Ms. Mount, Mr. Amaro, Mr. Stith

COURSE DESCRIPTION
The Exploring Music classes are designed to provide students with opportunities to develop a better understanding of the cultural and historical relationship between music and our world and improve music literacy.

CLASS ACTIVITIES
The curriculum for Exploring Music is enriched with musical activities. In music classes, students will have an opportunity to learn to read music and play instruments.

Students will have opportunities to play instruments such as piano, guitar, percussion and other world instruments.
