

Third Grade

On the first district declared AMI day (Alternative Methods of Instruction), students may begin Day 1 of the assignments. Students should complete each bulleted activity in Day 1. Some activities may require adult assistance. On each additional district declared AMI day, students will progress through each day in order and follow the same process by completing all of the bulleted activities for that day. To receive a grade for the work, students must return completed AMI assignments with parent signatures to their teacher within 5 school days of school being back in session.
