30%

Tests

Homework  
Classwork  
Projects  
Labs

### RESPONSIBILITY

Weekly and daily work will be updated weekly (bell ringers, participation, and quizzes). Please check grades regularly and feel free to ask me any questions that you might have about a particular grade.

If you are absent, you are responsible for completing your make-up work (one day for make-up for each day absent).

This can be done before or after school or via e-mail.

### TEXT ALERTS

### PREPARATION

- 1 Come prepared to class with your Chromebook and writing utensil.  
Start working on Do-Now and writing down the objective in your Google Docs notebook immediately so class can start within five minutes of the bell.
- 2
- 3 Work should be turned in on its due date. Late work will lose points on a per-day-late basis.

### UNITS OF STUDY

- 0 Lab Safety/Measurements
- 1 Matter and its Properties
- 2 Structure of the Atom
- 3 Trends in the Periodic Table
- 4 Ionic Bonding/Compounds
- 5 Covalent Bonding/Compounds
- 6 Identifying and Describing Chemical Reactions
- 7 The Interaction between Energy and Matter

Mixtures and Solutions in the

## FOOD AND DRINK POLICY

In general, food and drink are NOT allowed in my class. Not only do food and drinks attract bugs and mice, we are in a chemistry lab. It is unsafe to consume any food or drink in an area where chemicals are used and stored.

---

## ASSIGNMENT FORMATTING

MOST assignments will be completed on your Chromebook and turned into Google Classroom. This is why it is crucial for you to have your Chromebook, charged, each and every day.

---

## HOMEWORK/TEST POLICY

**HOMEWORK:** All assignments are due at the beginning of the next class period. If you have questions on assignments, you can reach me via email or the Remind app. Each day that an assignment is late, it is 5 points off up to 50%.

Most work will be completed in class. All homework will be unfinished classwork

**TESTS:** EVERY ONE gets a second attempt at taking any unit test (does not apply to midterms/final exams or state exams). In order to retake a test, you must attend an after school tutoring session and retake the exam after school.

## ABSENCES AND GRADES

Weekly and daily work will be updated weekly (Do-Nows, assignments, notes (participation)). Please check grades regularly and feel free to ask me any questions that you might have about a particular grade.

If you are absent, you are responsible for completing your make-up work (one day for make-up for each day absent).

All make-up work will be posted in Google Classroom. It is your responsibility to ask a classmate or me for help on making up any objectives and Do-Nows. I will have a notebook for students who missed class. You must meet with me to make up and tests or quizzes.

If you know you are going to be absent beforehand, you should ask me for your make-up work before the absence.

This can be done before or after school or via e-mail.

---

## ELECTRONIC DEVICES

Electronic devices should be kept in students backpacks. Devices should not be out during class, unless otherwise instructed by the teacher or with permission.

First offense: Student will get a verbal warning to put phone away.

Second offense: I will contact parent/guardian about the behavior

Third offense: Written referral.
