

MEET

Ms. Sadler

#Selfie

#Welcome

Welcome to Chemistry at Hazelwood East High School! My name is Ms. Sadler, and I will be your chemistry teacher for the 22-23 school year. This will be my second year teaching, but my first year at East High School. I am an alum of the Hazelwood School District, graduating from West High School. We are going to have a great time in chemistry this year, and I look forward to meeting you!
