

McNair Elementary

2023 Summer School Program

WILDCATS

Sally Perano, Principal
Ray West, Assistant Principal

RATIONAL

Academic proficiency, according to our MAP scores and district benchmark assessments, have remained stagnant and/or shown a decrease in reading and math as compared to other students in Missouri. Our students are capable of demonstrating high academic achievement, but are falling short of their potential. This summer school plan is to provide an additional 14 days of learning during the summer months to help minimize the educational gap that may exist, while also enriching the learning experiences for students needing additional challenges to exceed their potential.

STUDENT POPULATION

The summer school program supports students entering Kindergarten (Sunny Start) as well as current kindergarten-fifth grade students.

STAFFING ALLOCATIONS

- Teachers based on following staff ratio:
 - Sunny Start: 1 teacher and 1 BA/TA for every 15-20 students
