

Garrett Elementary AMI/Inclement Weather Plan for 2022-2023

Dear Garrett Families and Friends,

In the event that the district announces that we are going to utilize an AMI/Inclement Weather day, your child will need to do the following:

1. Remember Habit 3: Put First Things First (Work First, Then Play). There's most likely snow on the ground or in the forecast and kids need to play :-)
That being said, these days will count as a school day so some work still needs to be done and turned in by the start of the next school day.
2. After the initial excitement, students will need to access their assignments for the day through their homeroom's **Google Classroom**. Your child's teacher will contact you regarding assignments and where to find them.
3. Students will need to begin working on their assignments for the day. They will have ample time to complete the work and get credit for it along with credit for being in attendance. AMI work needs to be completed and submitted no later than **the beginning of the next school day**.
4. Students will have the ability to check in with their teacher at two scheduled times below through a Google Meet. Your child's

teacher will be available throughout the day for support through email. *This will be accessed through their teacher's Google Classroom.*

5. Finally, go play! Drink Hot Chocolate! Bake cookies with an adult!
Be a kid on a "Snow Day!"

Sincerely,
Dr. Erik Melton
Garrett Elementary Principal
