

Garrett Elementary AMI/Inclement Weather Plan

Dear Garrett Families and Friends,

In the event that the district announces that we are going to utilize an AMI/Inclement Weather day, your child will need to do the following:

1. Remember Habit 3: Put First Things First (Work First, Then Play). There's most likely snow on the ground or in the forecast and kids need to play :-). That being said, these days will count as a school day so some work still needs to be done.
2. After the initial excitement, students will need to access their (Day 1 - 6) packet **the day's number will be announced when the day is called*. These will be accessible on the [district website](#), however teachers will be linking them through their Google Classrooms and communicating what needs to be completed in the day's morning meeting. Attending the morning meeting on AMI/Inclement Weather Days is very important.
3. Students will need to begin working on their packet work (assigned pages) for the day. They will have **5** days to complete the work and get credit for it along with credit for

being in attendance. This will hopefully allow time for some traditional snow day activities :-)

4. Besides the morning meeting, students will need to check in with their teacher at least one of the two times designated below. Your child's teacher will be available throughout the day for support including two, one hour times in which they will be on a google meet, open to your child. ***This will be accessed through their teacher's Google Classroom.***

5. Go play! Drink Hot Chocolate! Bake cookies with an adult! Be a kid on a "Snow Day!"

Sincerely,

Dr. Erik Melton

Garrett Elementary Principal
