PARENT ADVISORY COUNCIL

Second Wednesday of each month

7-9 PM | Via Zoom

Parent Advisory Council (PAC) is comprised of families advising and collaborating to improve the education, confidence, and social outcomes of each student served by SSD. SSD's PAC works closely with the SSD Board of Education, Governing Council, and District administration to provide valuable input and feedback from the parent perspective. Join PAC to:

- Network and build a community with parents whose children receive special education services;
- Empower parents to become as informed as possible;
- Improve communication between your local school district and SSD;
- Create and promote a positive understanding and awareness of students with disabilities;
- Establish a network of advocacy for local, state, and national disability issues.
