

Memorandum

DATE: June 7, 2023

TO: Principals and Site Coordinators

FROM: Christian Bertel, Coordinator of Health Services

SUBJECT: Hot Weather Guidelines

The Hazelwood School District follows the following procedures and guidelines to address children participating in outside activities during hot weather. These guidelines follow information obtained by the Missouri Department of Health and Senior Services to address heat related emergencies.

The Heat Index must be monitored by the Building Administrator.

Guidelines for Recess and Physical Education (PE) outdoors for the general student population:

- Heat Index less than 90 degrees; normal recess will be held.
- Heat Index 90-100 degrees; outdoor recess will be limited to 10 minutes.
- Heat Index 101 or greater degrees; indoor recess will be held.

Coaches will follow the procedures and guidelines established by the MSHSAA to address heat- related issues for athletes.
