

Memorandum

DATE: June 7, 2023

TO: Principals and Site Coordinators

FROM: Christian Bertel, Coordinator of Health Services and Wellness

SUBJECT: Cold Weather Guidelines

The Hazelwood School District follows the following procedures and guidelines to address children participating in outside activities during cold weather.

Temperatures, including wind chill factor, must be monitored by the Building Administrator. Guidelines for Recess and Physical Education (PE) outdoors:

- Temperature: (Including wind chill) below 20 degrees - children should stay inside.

During cold weather, of course, children improperly clothed should not be allowed outside for recess or PE.
